E KOMO MAI WELCOME

E Komo Mai! Welcome to Kilohana Makai

On behalf of Kauai Luxury Vacation Villas we would like to extend a warm welcome to our Kilohana Makai Hale. We hope your stay with us is enjoyable. For your convenience we have outlined some key informational details to utilize the home's amenities. Kindly reach out to us at (808) 742-3022 if you need any additional assistance.

How to Open Sliding Glass Doors?

To open the sliding glass doors, lift the handle and turn it to the right. The door will unlatch and you can slide it open.

To help preserve Kauai's natural beauty and protect local wildlife, we kindly ask that all exterior lights be turned off between 10:00 PM and 7:00 AM. This helps minimize light pollution and supports the island's delicate ecosystem. Mahalo for your cooperation!

Air Conditioning Controls

The controller for the air conditioning is located in the family room. Each bedroom is also equipped with an individual controller. Please note there are sensors on the windows and sliding doors of your residence. The air conditioning will automatically shut off if you leave anything open leading to the exterior of the home. Allow a 5 – 10-minute delay for the AC to power on and cool the residence.

Music Player System

To operate the music system, please download the Sonos App and connect to the Kilohana Makai Wi-Fi Network.

Trash Pick-Up (Weekly)

We kindly ask that you place your villa bags in the disposal bins outside by 5:00 PM Monday afternoon. Trash pick-up is every Tuesday at 9:00 AM. A KLVV houseman will carry the trash bins to the street and return them Tuesday.

Scheduled Home Maintenance (Weekly)

The pool is serviced every Monday. Yardwork is scheduled every Thursday afternoon. Schedules may vary.
