COMPANY OVERVIEW

Greycrest Visuals Inc. is a Vancouver-based strategic video production company serving government bodies, Crown corporations, health authorities, universities, and enterprise organizations across Canada. We are a Minority-Owned Business Enterprise (MBE) built specifically for the institutional procurement market, combining cinematic production quality with deep knowledge of government compliance requirements and procurement processes.

CORE COMPETENCIES

- Corporate Brand Films
- Public Awareness & Campaign Video
- Internal Communications Video
- Executive Thought Leadership
- Recruitment & Culture Films
- Event Documentation & Coverage
- Testimonial & Case Study Films
- Aerial & Drone Photography
- Headshots & Event Photography
- WCAG 2.1 Accessible Media

WHY GREYCREST

Diagnostic-First Approach: Every engagement begins with a communications assessment, not a creative brief.

Procurement Ready: CanadaBuys, SAP Ariba, WorkSafeBC, MBE designation, and full insurance already in place.

Founder Accountability: You work directly with Emmanuel Wani on every project, every deliverable.

Institutional Experience: Built specifically for government and institutional clients who require compliance-aware production.
