Z, Salon Owner ★★★★★

Bonnie came very highly recommended by my coach at the time, and after seeing her live, I realized something: I didn't just need to rebrand my salon. I needed to rebrand my leadership.

Catherine, Hr Director ★★★★★

If you are a leader who knows there is another level inside of you, but you just can't quite figure out what's been holding you back, I cannot recommend Bonnie enough

Stuart, VP Communication ★★★★★

"Bonnie has a way of making you think, laugh at yourself and then realize exactly what you need to do differently. She brought leadership to life in a way that felt practical, personal, and immediately useful.
