Sunday October 18, 2026 | International Centre Hall 2, 6900 Airport Road, Mississauga

The Plant Expo is Canada's premier boutique horticulture event, offering exhibitors direct access to a highly engaged audience of plant lovers, collectors, families, and eco-focused hobbyists. With a strong commitment to sustainability—including exclusively Canadian-grown plants—our shows highlight businesses that value quality and responsible practices. Paired alongside the Canadian Reptile Expo, exhibitors also benefit from crossover traffic from reptile keepers seeking plants and supplies for bioactive and naturalistic habitats. Showcase your products, elevate your brand, and connect with thousands of motivated buyers in a vibrant, community-driven marketplace.
