Ground Rules

- Each Trainer and Owner must be listed and must be a member in good standing of Harness Racing BC ("**HRBC**"), Desert Park Exhibition Society ("**DPES**") and Horse Council BC ("**HCBC**").
- All Trainers are responsible to ensure their staff are members in good standing and licensed by HRBC and Standardbred Canada (and any other regulatory body as applicable).
- All persons entering or on Desert Park Raceway ("**DPR**") ("**Premises**") must hold a valid Independent Gambling Control Office (British Columbia) license and must be able to produce such license upon request at any time.
- When requested, Trainers will be responsible for providing Western Canada Horse Racing Association ("**WCHRA**") and/or HRBC with a full list of people they are employing to work in their stable, as applicable (collectively referred to herein as the "**Stall**") and require backstretch access on the Premises. Trainers who fail to provide the list will not be granted Stalls for the upcoming meet.
- **FORM A – Terms and Conditions** must be completed and signed prior to stalls being assigned. This form will be available by July 20, 2026 or upon receipt of the stall application.
- No open flame/heat source or ignition sources are permitted in the Stalls, buildings or barns on the Premises.
- No smoking is permitted inside the Stalls, any buildings or barns, doorways and on the track or outside of designated areas. Violators shall be subject to sanctions, which may include barring from the site.
- Smoking is only permitted in designated areas. Designated areas will be marked accordingly and must be at least seven (7) meters away from any doorway or opening of the buildings and barns on the Premises. Cigarettes must be extinguished in a proper container.
- No drug activity including Cannabis is permitted on the Premises. For the avoidance of doubt, Cannabis is not permitted anywhere on the Premises.
- No overnight parking or camping in the parking lot or backstretch of the Premises is permitted, unless written permission is received from the race office and appropriate documentation is executed.
- No sleeping/living on Premises at any time is permitted, unless written permission is received from the race office or DPES and appropriate documentation is executed.
- A preapproved licensed horse trailer can be kept on the Premises for movement of horses and feed storage.
- No dumping of personal household items on the Premises is permitted. WCHRA reserves the right to invoice rightful owner should items be disposed on their behalf.
- No parking in non-designated areas on the Premises is permitted. Violators shall be subject to sanctions, which may include barring from the site.
- No parking in the barn areas of the Premises is permitted.
- Dogs must always be on leash on the Premises. No animals shall be left unattended in a vehicle or trailer on the Premises.
- Helmets and chin straps must always be worn while on track, in addition drivers must wear a protective vest during live racing.
- Horse feed must be kept in appropriate containers (stainless steel – metal or fully sealed undamaged out of order freezer are acceptable). Barns must have easy access without clutter in shedrows or breezeways. WCHRA reserves the right to remove and or dispose of inappropriate feed storage.
- The main track on the Premises closes at 1PM. No exceptions; if found on the track past closing time WCHRA reserves the right to issue a prohibition from the site.
- Upon shipping out, Stalls must be stripped clean (there will be a minimum $100 charge for any that are not done). You will not receive Stalls for the upcoming meet if such charge is not paid.
- After completion of initial stall application any horse leaving or entering the Premises will require the presentation of a horse movement form at the security gate.
- No violence or abusive language of any kind will be tolerated. All personnel are expected to exhibit exemplary conduct and respect while on the premises.
- All ground rules must be strictly adhered to by all members at all times.

Failure to adhere to the above rules or the Terms and Conditions in FORM A may, at WCHRA's sole discretion, result in fines, immediate barring from the premises, and/or the revocation of stabling privileges.
