

*Please mark your calendars as we will fast 21 days together for Israel and the Jewish people (along with Lou Engle and his network) from March 12 - April 1 (ending at Passover)*

1. Purim, which finds its roots in the story of Esther, will be celebrated this month from sundown on Monday, March 2, through Tuesday, March 3. This festival celebrates victory over the enemies of the Jewish people. As told in the Book of Esther, evil Haman (an official in King Ahasuerus of Persia's kingdom) hangs on his own gallows (that he made for righteous Mordecai). The orphaned Esther becomes a heroine for "such a time as this" with divine assistance (Esther 4:14). Let's pray for a modern-day miracle in the same setting as this story— Persia, which is modern-day Iran. May President Trump have wisdom for when and how to strike. May the hardline Islamic Regime of Iran be replaced with righteous leadership. May all US troops, the people of Israel, and the innocent Iranian people be sovereignly protected. May the tentacles of terror sponsored by Iran be defeated ([Psalm 68:1-3](#)).
2. The Islamic month of Ramadan lasts through Thursday, March 19. With heightened security concerns for the people of Israel and for Jews worldwide, pray for no attacks, against incitement, and for any plans of darkness to be exposed and removed ahead of time ([Psalm 61:1-3](#)).
3. Hamas continues to reassert control over Gaza and violate ceasefire agreements. They also refuse to disarm. One of Israel's central goals of the war was dismantling Hamas' governing and military capabilities. Pray for the Gaza Peace Board and for Hamas to be disarmed and removed from any leadership in Gaza without the need for war ([Psalm 17:8-9](#)).
4. Pray for both the [National Leadership Center](#) located in Ariel, Israel, and our new center, the [Jerusalem Leadership Institute](#). Pray for Eran Glazer, Rachely Scapa, Tair, and the rest of the team. Pray they can hire the people they need to fill both facilities with the best staff. Pray for all weeks to be filled with those coming to receive at both centers, and for no cancellations ([Genesis 12:2](#)).
5. Continue to pray for protection and wisdom over the political and military leaders of the USA and Israel. Pray against assassination attempts of President Trump and Prime Minister Netanyahu and for the safety of their families and teams ([Psalm 3:3](#)).
6. Nearly 100 terror suspects have been recently arrested in Judea and Samaria as Hamas cell and weapon networks have been uncovered. Pray for peace in this region, for the uncovering of all hidden centers of evil, and for this region to come under Israeli sovereignty ([Genesis 15:18](#)).
7. The nation of Turkey, under President Recep Erdogan, is growing as a threat to Israel. Some call the nations of Turkey, Qatar, and the Muslim Brotherhood an emerging axis of evil. Also, Turkey is involved in Syria. Prayer is needed to protect Israel against Erdogan's goal of reviving the Ottoman Empire ([Psalm 62:2](#)).
8. Pray for continued healing for all who have been traumatized in Israel through the war. Pray for marriages to be strengthened, for families to flourish, for economic security, and most of all for a spiritual awakening ([Ezekiel 36:26](#)).
9. Pray for unity in Israel. Pray against media bias, political mudslinging, and religious fracturing. Pray for the fostering of national togetherness ([Psalm 133](#)).
10. Pray against antisemitism worldwide in all of its forms ([Psalm 91](#)).
11. Pray for more to join the call of Isaiah 62 to pray for Israel. Pray against apathy, replacement theology, and ignorance in the worldwide church regarding God's purposes for Israel and the Jewish people ([Isaiah 62](#)).
