

*Please mark your calendars as we will fast 21 days together for Israel and the Jewish people (along with Lou Engle and his network) from March 12 - April 1 (ending at Passover)*

1. At the time of this writing, the war against Iran (called Operation Epic Fury by the USA and Operation Roaring Lion by Israel) is active. Pray for protection for Israel as some rockets have penetrated the defense systems. Pray for protection for the IDF, IAF, US troops, aircraft carriers, fighter jets, and pilots ([Psalm 68:1-4](#)).
2. Pray that the goals of the war would be accomplished, specifically that Iran's nuclear capacity would be dismantled and for regime change. Pray for righteous leadership to arise in the nation. Pray [Jeremiah 49:35-39](#), which, in part, says: "Behold I will break the bow of Elam, the foremost of their might" (Elam is the ancient name for modern-day Iran).
3. Continue to pray for protection and wisdom for the political and military leaders of the USA and Israel. Pray against assassination attempts of President Trump and Prime Minister Netanyahu, for the safety of their families and teams, and for citizens and politicians to respond honorably ([Psalm 3:3](#)).
4. There have been numerous warnings of sleeper cells in the USA that may be planning attacks during this time of war (which is taking place during the Islamic month of Ramadan, lasting through March 19). Heightened security has been called for all US military bases worldwide, and officials are reminding people of the national "If You See Something, Say Something®" campaign. Pray all plots of evil will be foiled ahead of time. Pray for worldwide antisemitism to be crushed by Divine Power ([Psalm 91](#)).
5. Pray for the Arabic nations who have also been struck by Iran's rockets. Pray that they will react rightly and join the USA in standing with Israel. May they not push for a two-state solution in Israel. May they be helpful to remove Hamas from power in Gaza as godly alliances are formed. May the sons of Abraham have peace ([1 Chronicles 1:28](#)).
6. Hezbollah has entered the war. Pray for the complete eradication of Hezbollah from its terror actions and for freedom in Lebanon from this group ([Psalm 3:7-8](#)).
7. Pray for both the [National Leadership Center](#) located in Ariel, Israel, and the [Jerusalem Leadership Institute](#). Thankfully, though rockets have fallen nearby, neither site has been struck. Pray for Eran Glazer, Rachely Scapa, Tair, and the rest of the team. Pray they can hire the people they need to fill both facilities with the best staff. Pray for those coming to receive at both centers and for all programs to safely resume as soon as possible ([Genesis 12:2](#)).
8. Pray for continued healing for all who have been traumatized in Israel through war, and are now again facing many trips to bomb shelters. Pray for healing in every form. Pray for marriages to be strengthened, for families to flourish, for economic security, and—most of all—for a spiritual awakening ([Ezekiel 36:26](#)).
9. Pray for unity in Israel. Pray against media bias, political mudslinging, and religious fracturing. Pray for the fostering of national togetherness ([Psalm 133](#)).
10. Pray for more to join the call of Isaiah 62 to pray for Israel. Pray against apathy, replacement theology, and ignorance in the worldwide church regarding God's purposes for Israel and the Jewish people ([Isaiah 62](#)).
