WORLDVIEW

November 2026

Runyankore Printing Project

6,000 copies of the Runyankore Bible are estimated to be delivered in late November! Praise the Lord!!

We look forward to sharing pictures of delivery and distribution when they have arrived.

Ma'di Printing Project

The final translation files are complete and have been submitted. The final stages of preparing the text have been very tedious. In the middle of our project, the Ma'di language decided to add tonal markings to all vowels. For example, a three-letter word can have 4 or 5 different meanings depending on the accent mark above or below the vowel. This is a helpful thing for the language, but it added many, many hours to the final edits because it required going through one vowel at a time—all the way through the NT to insure it was marked appropriately in each word where it is found.

The good news is we are now entering the formatting phase in preparation for the publication of the Ma'di New Testament. Praise the Lord!!

Liangmai Printing Project

Things have settled down somewhat in the ethnic war, although there are still scattered reports of violence. Please continue to pray for the safety of our people and their families.

The translation team is in the final stages of work, preparing for the last check of the text in our long process. We anticipate receiving these files soon.

Tibetan Project

After a "fall break" from classes on the field, both Lloyd and Lydia have resumed their language school studies. Please keep praying about the visa issues for Lloyd so he can remain in the country.

Persia Project

Alicia recently had an emergency surgery due to an ectopic pregnancy. She is recovering well and we praise for Lord for His grace during this time. Greek training and early translation work continues with the new team.

Cameroon Project

This project has not been without challenges in the last few weeks. It has reminded us of the constant spiritual warfare involved in the work of Bible translation.

A translation session is currently underway with our team and we are praying for the Lord to give them wisdom as they work together.

WorldView has committed to the $1,700.00 monthly financial burden of this project and regular support is needed. Would you consider helping? Please designate your support to 412 - Pidgin Project (Cameroon).

Nicaragua Project

Caleb and his family have begun deputation and we are excited about making progress in raising their support. If you would consider scheduling them to present the ministry project, please contact Caleb at:

Cell: (606) 308-4727

Online Giving

Online giving has never been easier!

Here are two options to make it simple.

1. To give one-time or recurring gifts, scan this QR or visit goworldview.org and click SUPPORT THE MINISTRY at the bottom of the homepage.
2. We can now accept ACH transfers directly from your bank. I will be happy to provide you the information needed for you to make the monthly transfers.

Family News

Emily is in her junior year at PCC. Please pray for her health and for the Lord to sustain her spiritually and physically.

Linda has been hindered from traveling with me for several weeks now due to caring for her 91-year-old mother who has been in the hospital a couple of times. We are still seeking answers as to the reasons for her Mom's health issues. Prayers are appreciated.

God bless you and thank you for your part in our ministry!!
