Letters in Action

National Scrabble Day, celebrated every April 13, is the perfect excuse to dust off your tiles and show off your word skills. Since its creation in 1938 by Alfred Butts, Scrabble has challenged players to turn letters into clever combinations, scoring big points while occasionally learning a new word or two. From casual family game nights to competitive tournaments, Scrabble brings people together and sparks a bit of friendly rivalry.

On National Scrabble Day, players embrace the challenge of crafting the highest-scoring words and reveling in the joy of landing a triple-word score. Even if you're not a seasoned pro, the day is a fun reminder that words can be playful, powerful, and sometimes tricky. Some enthusiasts share words or post photos of game boards mid-battle on social media. Schools, libraries, and community centers often host Scrabble events to encourage literacy and spark a love of language. So grab your tiles, find a worthy opponent, and celebrate the delightful challenge of Scrabble.
