

2026

The Year of Distinction Covenant

In 2026, I choose presence over productivity. I will not move ahead of God or lag behind obedience. I commit to a life marked by prayer, holiness, unity, and surrender. I refuse spiritual familiarity and casual devotion. I will build altars, not platforms. I will be a distinct carrier of God's presence in my home, church, and calling.

I love God for no reason, and no reason will take my love away. I live distinct for no reason, and no reason will take my distinction away.
