DREAM prompts

Imagine you could fly. Where would you go?	If you had a pet dragon, what would you name it?	What would you do if you could visit outer space?
Imagine you could talk to animals. Who would you talk to first?	If you could change the color of the sky, what color would you choose?	If you could invent a new holiday, what would it be called?
What would your superhero costume look like?	If you had a magic wand, what would you do with it?	Imagine you lived in a castle. What would it look like?
If you were a chef, what yummy food would you create?	Imagine you could shrink to the size of an ant. What would you explore?	If you were an inventor, what would you create?
