

CHERIE GRIFFITH-DUNN

KEYNOTE SPEAKER / STRATEGIST / CEO

FBI CITIZENS ACADEMY AMBASSADOR

The human side of cybersecurity, AI, and leadership.

CHERIEGRIFFITHDUNN.COM

MAKE THE COMPLEX CLEAR.

Cherie turns technology risk into
conversations leaders can act on.

FOR EXECUTIVES, TEAMS & PUBLIC-SECTOR LEADERS

A VOICE WITH SUBSTANCE.

Cherie Griffith-Dunn is the founder and CEO of Cyproteck Technologies Inc. and President and CEO of CGD LLC. A retired Corporate America leader, she brings more than 20 years of experience in organizational development, executive coaching, project management, and large-scale transformation.

Her work connects cybersecurity and AI risk with the human decisions that determine whether change succeeds. She completed the FBI Citizens Academy in 2026 and trained with Lisa Nichols. Cherie makes complex ideas memorable and actionable.

SPEAKER BIO / SHORT INTRODUCTION AVAILABLE ON REQUEST

IDEAS THAT MOVE A ROOM.

01 AI WITHOUT THE AFTERMATH

AI adoption, governance, and decisions leaders cannot delegate.

02 THE BREACH BEFORE THE BREACH

Early warning signs and proactive defense for critical organizations.

03 ARCHITECT YOUR OWN FUTURE

Leadership, visibility, and negotiation for emerging leaders.

TAILORED TO THE AUDIENCE • BUILT FOR ACTION

SECURITY IS A LEADERSHIP CONVERSATION.

A clear framework. A room that understands the risk. A next step people can own.
