

The Lace Selector

Match the lace and the cap to your real life — not the hype.

Closure or frontal?

- ☐ **Closure** 4×4 / 5×5 / 6×6 — less upkeep, protects edges
- ☐ **Frontal** 13×4 / 13×6 — ear-to-ear, most versatile parting

Lace type

- ☐ **HD** — melts best, premium, most delicate
- ☐ **Transparent** — durable, blends most tones
- ☐ **Swiss** — reliable standard

How do you actually part your hair?

- ☐ Middle part only → a closure is plenty
- ☐ Middle + side parts → 5×5 or 6×6
- ☐ Off-ear / pulled-back styles → frontal

Lifestyle match

- ☐ Low-maintenance → closure
- ☐ Maximum versatility → frontal
- ☐ Sensitive edges → glueless / closure

♦ EBONY'S TIP

More lace means more freedom **and** more upkeep. Buy the **smallest lace** that still gives you the parting you actually wear.
