

First-Time Wearer's Checklist

Everything you need for a flawless, comfortable first install.

Prep your hair

- ☐ Cleansed & fully dry
- ☐ Braided down flat (or cornrowed to hold the cap)
- ☐ Edges laid, wig cap on

Fit check

- ☐ Cap is snug — not tight (no headache)
- ☐ Ear tabs even on both sides
- ☐ Hairline sits at your natural line

Comfort

- ☐ No pinching or pressure points
- ☐ Band comfortable for 8+ hours

Confidence

- ☐ Baby hairs natural — less is more
- ☐ Part looks scalp-like
- ☐ Shade matches your skin tone

Beginner do-nots

- ☐ Don't over-pluck the hairline
- ☐ Don't apply on dirty skin
- ☐ Don't sleep in it without satin
- ☐ Don't pull the edges tight

✦ EBONY'S TIP

Snug, not tight. If it gives you a headache by hour two, **size down the cap or loosen the straps** — comfort is what makes it look natural.
