

AFFORDABLE LUXURY FOR YOUR BUILDS.

We specialise in catering to the unique needs of builders, developers and home builders like you. Our comprehensive range of services is tailored to support your projects from start to finish. Whether you require design, supply, installation, or supply-only solutions, we have the expertise and capacity to meet your specific requirements.

We have the capability to handle projects of all sizes, from single homes to large-scale developments of up to 500 apartments. With our overseas manufacturing facility producing up to 2000 kitchens per month and local facilities for boutique jobs and repairs, we are able to cater to any project requirements.

WHAT WE OFFER

We offer a comprehensive package for brand new houses and apartments, including custom-made kitchens, vanities, robes, and laundry solutions. Unlike generic flat-pack options, all our products are meticulously crafted to perfectly suit your project.

Our team of experienced designers and craftsmen will work closely with you, taking into account your needs, preferences, and budget. From start to finish, we provide expert guidance and advice, ensuring that every aspect of your project is completed to your exact specifications.

We believe that quality should be accessible without breaking the bank. That's why we strive to offer affordable solutions without compromising on the exceptional quality and service we provide.
