KITCHENS & JOINERY

ABOUT US

With over 10 years of experience in kitchen renovations, fabrication, and installation, our team of experts craft timeless solutions to transform your home. From conception to build, our locally owned business offers professionalism, friendly service, and affordable rates, delivering the perfect custom solution for your needs. We provide services for bathrooms, laundry cabinets, walk-in wardrobes, and custom cabinetry as well as custom entertainment units, pantries, outdoor kitchens, flat packs, and commercial joinery for medical fit-outs. Using top-quality brands like Blum Hardware, Quantum Quartz Designer Stone, Laminex, and Wilson&Bradley, we ensure excellence in every project.

PREMIUM DESIGN

We pride ourselves on meticulous attention to detail, ensuring our custom cabinetry designs exceed your expectations. When you engage us for a custom project, we collaborate closely with you from start to finish, providing transparency and an honest service throughout your entire journey. As a trusted, licensed and affordable service provider, we offer comprehensive solutions tailored to your needs. Our expertise encompasses kitchen layout styles, custom cabinetry, benchmarks, appliances, lighting and both practical and stylish flooring options. Additionally, our commitment to quality and client satisfaction guarantees a seamless and rewarding renovation experience, leaving you delighted long after your project is complete.

CRAFTED TO INSPIRE

CUSTOM DESIGN

We specialise in crafting the perfect kitchen for your style, offering a wide range of colours, finishes and storage solutions, tailored to your needs.

3D KITCHEN PROTOTYPING

Using 3D prototype rendering, we help clients visualise their new kitchen, ensuring satisfaction with the design before manufacture.

QUALITY MANUFACTURING

We are renowned for using only top-quality materials and hardware, ensuring maximum strength and durability in every kitchen.

PROJECT MANAGEMENT

We provide personalised service from design to installation, ensuring a professional experience throughout the project.
