ELECTRICAL GROUP

CAPABILITY STATEMENT

WHO ARE WE?

Amplitude Electrical Group is based in Gladesville and is focused on providing leading customer service through prompt and transparent communication and outstanding workmanship. We are committed to building strong relationships with our clients.

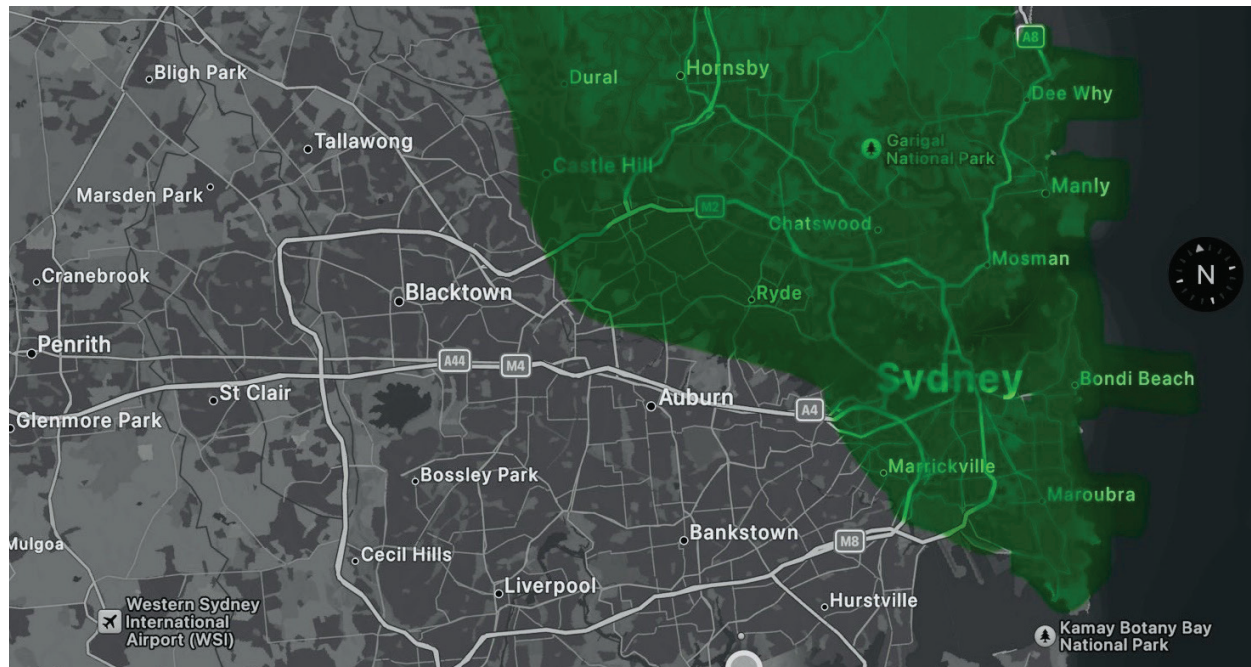

Amplitude Electrical partners with real estate agents to ensure properties meet top electrical safety and efficiency standards. We offer tailored solutions, responsive service, and comprehensive inspections, maintenance, and emergency repairs to maintain property value and tenant satisfaction.

OUR SIMPLE PROCESS

- 1 Submit the work order to info@amplitudeelectricalgroup.com.au
- 2 We schedule the job directly with the tenant
- 3 After the job, we send an invoice with before and after photos
- 4 Satisfaction guaranteed for all parties

OUR SERVICES

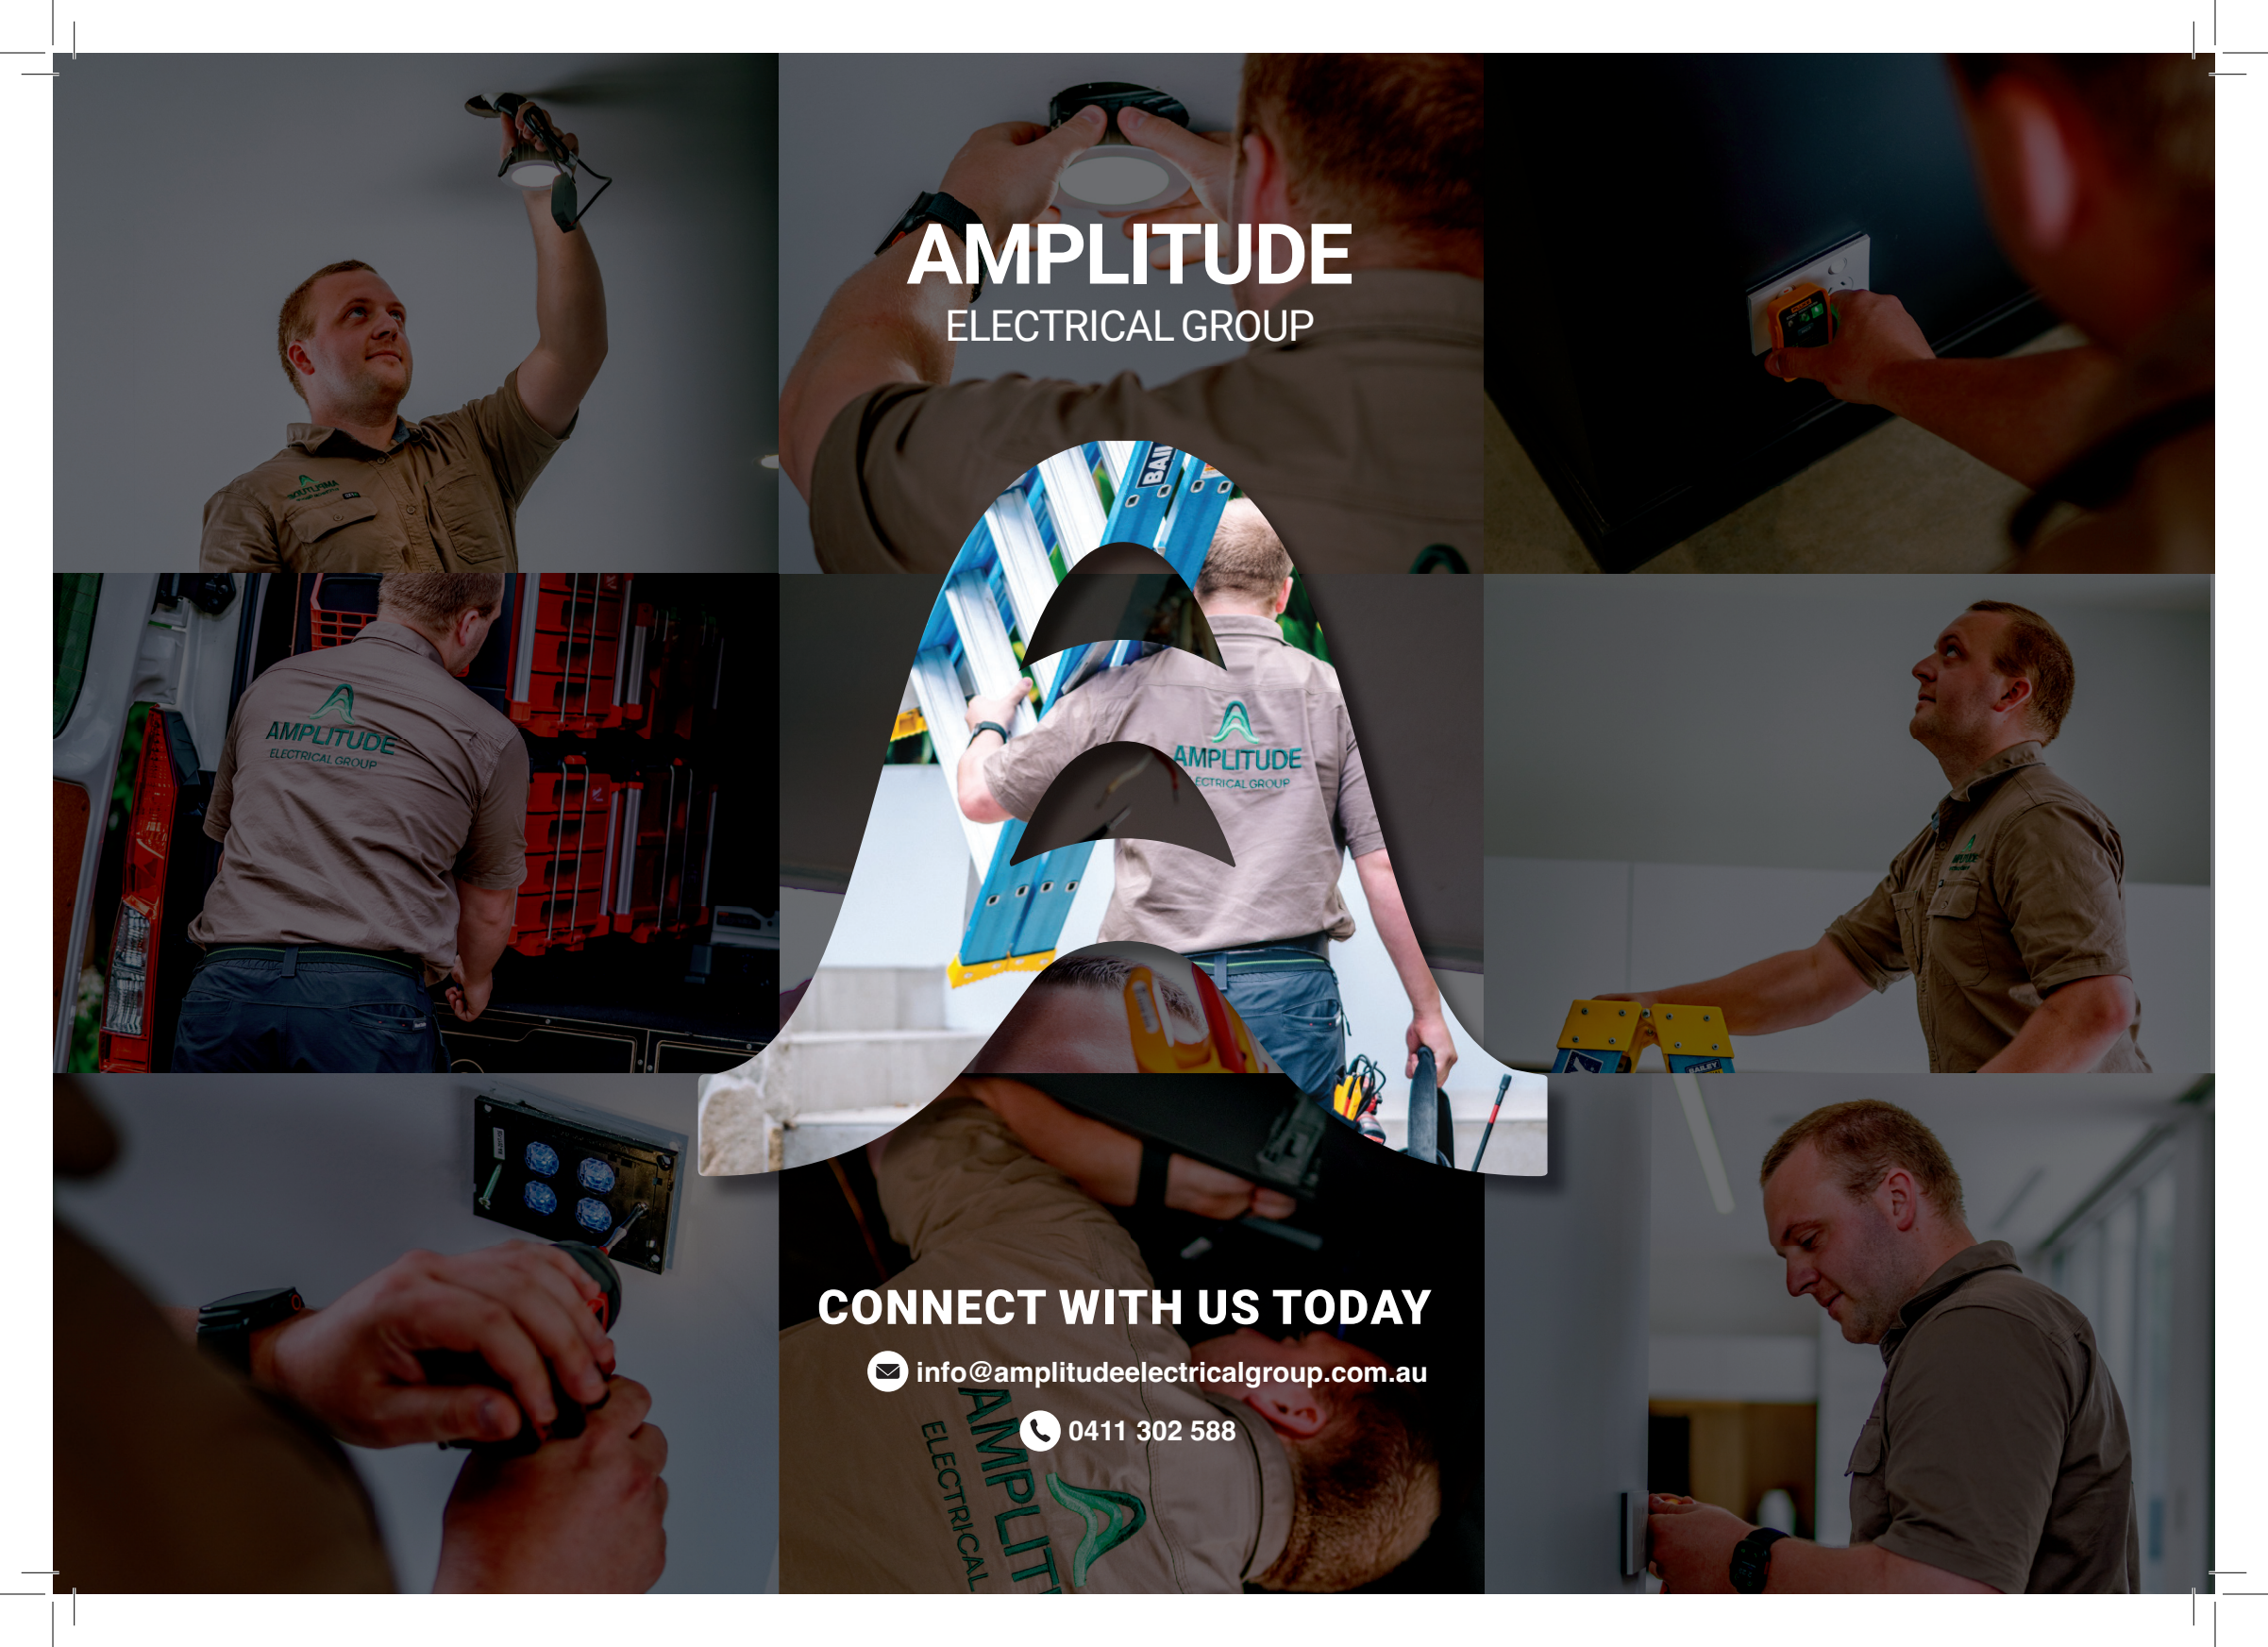

- Working With Agents
- Electrical Maintenance
- Fault Finding
- Smoke Alarm Testing
- Appliance Installation
- Lighting Maintenance
- Safety Inspections and Reporting
- Exhaust and Ceiling Fan Maintenance
