INTRODUCTION

The following document has been designed as a guideline for **Sparky Sales Systems** visual and branding identity. It is essential for all persons involved to follow these brand guides strictly to maintain consistency.

The **Sparky Sales Systems** logo must not be traced, redrawn, typeset or modified in any form by manual or electronic methods. The main logo and variation logo must not be altered in any way.

If you need any advice or help to clarify the branding guidelines, please contact White Key Marketing at 1300 577 419.

IDENTITY

A collection of valuable design assets that come together to inform your clients about who you are, what you do and what you stand for.

PRIMARY LOGO

The **Sparky Sales Systems** logo has been designed to be sleek, premium, bold and unique! This simple yet effective logo is a text design with one letter within the logo used as a icon. This logo may only be used against a white or light background.

PRIMARY LOGO VARIATION

This is the **Sparky Sales ysstems** primary logo variation, this logo is to be used when the primary logo cannot be placed on a dark or black background.

The difference between the primary logo and the primary variation is the white on 'Sales system' and *slogan* are substituted for white so that they are visible on a dark background.

BRAND MARK

The brand mark is derived from the original primary logo, using the 'A' element from the primary logo.

The brand mark may be used against a white or light background, or inverse on a dark background.

Clearspace around the logo allows for it to stand apart from other images, text and page edges. This enhances legibility and balance.

Always surround the logo with clearspace, as shown in the diagram. Do not place any other elements within the clearspace zone specified.
