

SOLOMON
PROJECTS

CRAFTED BY US, PERFECTED FOR YOU

At Solomon Projects, we don't just build houses;
we bring your dream home to life.

Our *luxury construction services* cater to your every
need - whether transforming your existing space
through renovations and extensions or creating a
brand-new residence from the ground up.

We believe in more than just building structures;
we're crafting lifelong relationships, one exquisite
project at a time.

Our long-standing partnership with the esteemed
Harper Lane Design Firm ensures that your
construction needs are custom-tailored to your
specifications before we step foot on site -
ensuring a seamless transition from vision to reality.
Your vision is our priority from the very beginning.

ABOUT US

Since 1996, we've proudly operated as a family-run
business, infusing a personalised and personable
touch into every project. We understand that your
dream is unique, and we're here to make it a
reality, ensuring every detail reflects your vision
and lifestyle.

Our legacy is built on the foundations of trust,
integrity, and the relentless pursuit of perfection.
With a passionate dedication to our craft, we treat
every project as our own, ensuring that the results
meet and exceed your expectations.

TAILORED FOR YOU, FROM DAY ONE

CONSTRUCTION

Our luxury construction services are tailored for you, from day one.

We take pride in delivering meticulous project management, beginning with a strict timeline, budget outline, and regular communications.

We work closely alongside *Harper Lane Design Firm* to execute your vision to the highest standards, working to accomplish set objectives and serviceability within budgets.

All Solomon Projects are completed with professionalism and excellent workmanship to satisfy your expectations. Every project is created with a balance of comfort and style, synonymous with quality craftsmanship and enduring quality.

We ensure every high-end project is constructed ethically and responsibly, in coherence with Australian legislative compliance. We are committed to environmental best practice, ensuring we are compliant with the latest sustainability standards and regulations.
