

GREAT SOUTHERN
YARN

ETHICALLY SOURCED,
SINGLE ORIGIN 100% SRS
MERINO YARN

ABOUT US

OUR STORY

Great Southern Yarn is dedicated to producing high-quality, sustainable, and ethically sourced yarns, always prioritising animal welfare and environmental responsibility.

In 2023, stewardship of Great Southern Yarn passed to Aleashia and her husband Jarrad. With a background in Environmental Science and a passion for knitting, Aleashia has long admired the single-origin, non-mulesed Merino fleece sourced from the Lyons Family at Mt Bodangora in New South Wales. Our SRS (Soft Rolled Skin) Merino is single origin, cruelty free and sustainable as its sourced from non-mulesed sheep. This luxurious SRS Merino yarn is renowned for its softness and quality.

The fibers are meticulously processed at Design Spun Mills in New Zealand, ensuring exceptional yarn perfect for knitting and weaving. The hand-dyed colours, inspired by Australian female artists and the Snowy Mountains, reflect the company's commitment to creativity and craftsmanship.

100% Australian
SRS Merino

Ethically &
Sustainably Sourced

OUR PROCESS

Sourcing & Production

Our fleece comes from the Lyons Family of Mt Bodangora Merino Farm. We ensure ethical sourcing, quality, and sustainability directly from farmers. We don't superwash - no chemicals are used throughout the sourcing and milling process.

Processing & Manufacturing

The fleece is scoured in Timaru, then processed at Design Spun Mills in Napier into high-quality yarn.

Hand Dyeing

Great Southern Yarn is hand dyed at our dye studio in Wyong, NSW, we process raw yarn for wholesale and retail, using our own colour range.

100% SRS MERINO YARN

100% SRS Merino yarn from Mt Bodangora Merino Farm is ethically produced and single-origin. Dyed at Great Southern Yarn, it offers unparalleled softness and durability, perfect for projects that require structure, such as garments and blankets.

80:20 MERINO NYLON SOCK

80:20 Merino Nylon Sock yarn blends soft Merino wool with strong nylon, creating a durable blend ideal for socks and garments. Ethically sourced and beautifully dyed, it offers warmth, elasticity, and a stunning range of colors for long-lasting projects.

MERINO ALPACA BLEND

Merino Alpaca Blend combines the softness of Merino wool with the silkiness of Alpaca fiber, offering extra warmth and elegance. Ethically sourced and processed with care, this luxurious blend is perfect for creating cozy, high-quality garments, such as drapes, shawls, cowls and scarves. This particular blend is great for cables and lacework.

SINGLE SPUN MERINO

Crafted from Merino wool sourced from Mt Bodangora Merino Farm, our Single Spun Merino yarn offers unique texture and warmth. Ideal for various projects, from lightweight garments to cozy accessories, its softness and breathability shine through, making it perfect for stylish, comfortable pieces.
