ABOUT US

At Showtime Productions Services, our goal is to collaborate with you to bring your vision to life, ensuring it's both exceptional and inspiring. As audio-visual and lighting experts, we specialize in providing, executing, and managing your production or installation with the utmost quality and professionalism. We understand that crafting a remarkable event or function space involves meticulous planning and flawless execution.

That's why our team at Showtime Productions Services are dedicated to working closely with you, tailoring our services to meet your specific needs and preferences. Whether it's a corporate event, or a special celebration, a complex installation or custom integrated AV services we are committed to delivering a seamless and memorable experience for you and your audience.

INSTALLATIONS

Our installation service refers to the integration of permanent AV systems in your unique space. These include but are not limited to schools, houses of worship, theatres, restaurants, night clubs, fitness areas or public event venues. These setups are intended to last, enhancing environments for various activities such as presentations, exhibitions, or entertainment.

At Showtime, our turn-key audio-visual installation services are tailored to meet the unique needs of our clients.

Our install service process includes on-site and system assessments, design and consultancy, project management and implementation, system maintenance and ongoing support services. With our team of skilled technicians, designers and programmers, we transform spaces into immersive environments where sight, sound and control harmonize seamlessly.

HOUSE OF WORSHIP

JACKSONS ON GEORGE

Jacksons on George is a love letter to Sydney. The project design weaves together the vibrant characters, stories and memories of the city's past while looking forward to its dynamic future. Showtime was entrusted to collaborate with a dynamic building team to integrate AV services across 3 levels with aesthetics and functionality as key factors in the design and installation.

OASIS BRISBANE

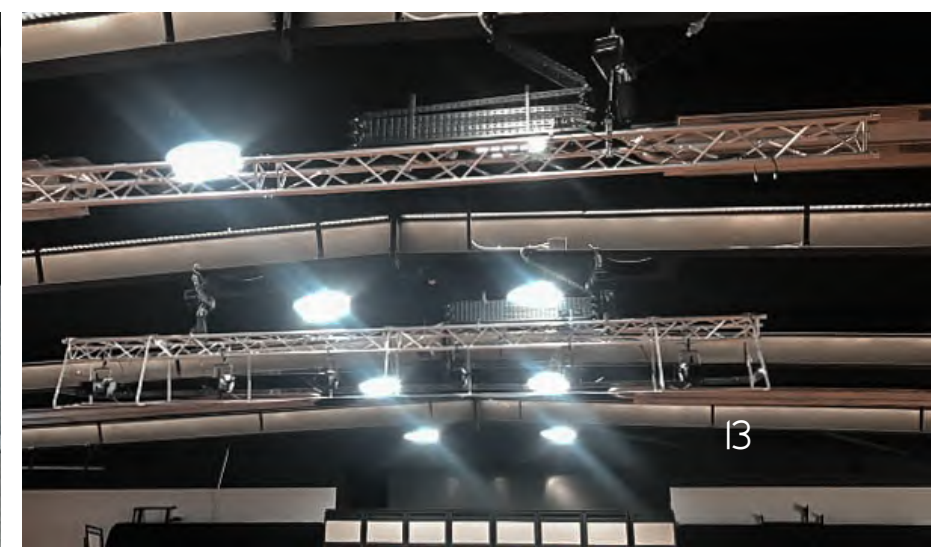

Brisbane's most luxurious floating function space, OASIS was built by an award winning team that has reinvented Australia's cruising culture and trusted Showtime to design, custom fabricate, install and integrate audio and control systems, all adhering to marine grade practices. Spread over 3 decadent levels, each with it's own unique vibe, the system is spearheaded by French manufacturer NEXO generating clear, crisp acoustics that are unmatched.

IO

THE SHIRE CHRISTIAN COLLEGE

The Shire Christian School is an early learning, primary and secondary day school, boasting a large assembly hall and dynamic AV system to match. Our Showtime installs team provided the school with the highest quality audio, lighting, rigging, vision and control equipment all while adhering to the brief: Keep it simple or dynamic while ensuring the space can be used for anything from HSC & presentation to theatre & full stage productions.

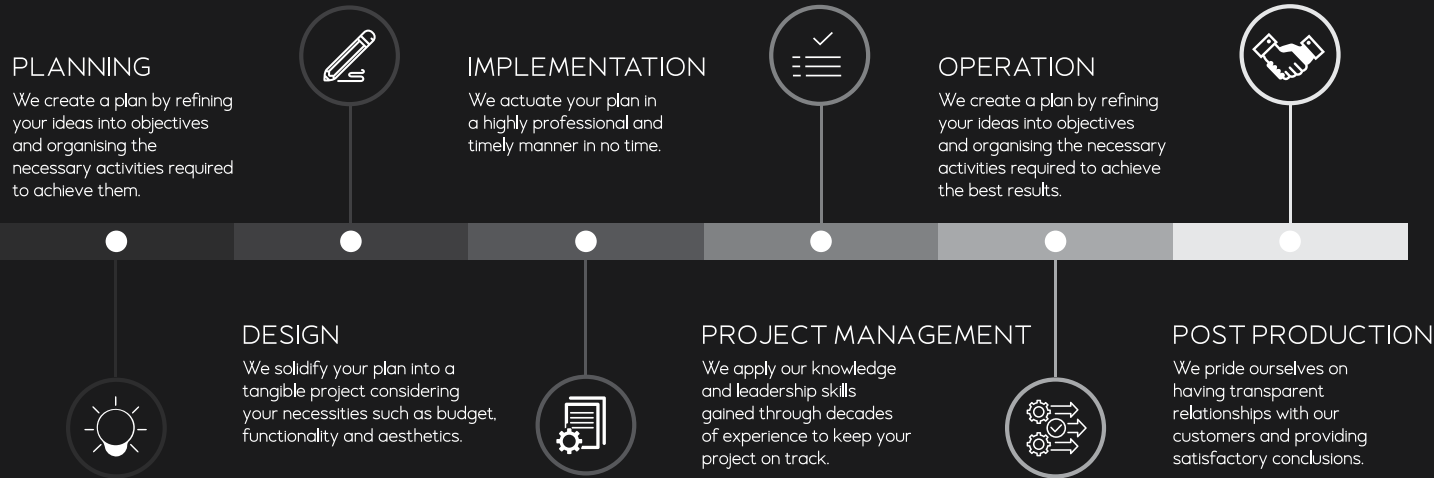

PRODUCTION

Our Production service is the coordination of bespoke temporary AV experiences for specific events or performances. Whether it's a concert, fashion show, stage production or activation, the focus is on ensuring the seamless integration of technical

elements - such as sound, lighting, staging and visuals - to deliver a captivating and memorable experience tailored to the occasion. We work with you to achieve your vision creating a unique and memorable event.

ACTIVATIONS

CATHEDRAL CAROLS

Annually on the eve of Christmas, St Mary's Cathedral delivers a carols like no other. Year after year sell-out crowds have been delighted by this traditional Christmas experience, where the featured lighting and visuals take centre stage. Coupled with a crisp audio system, the Showtime team ensures all AV delivers in a seamless manner to keep the crowd emersed in all things Christmas.

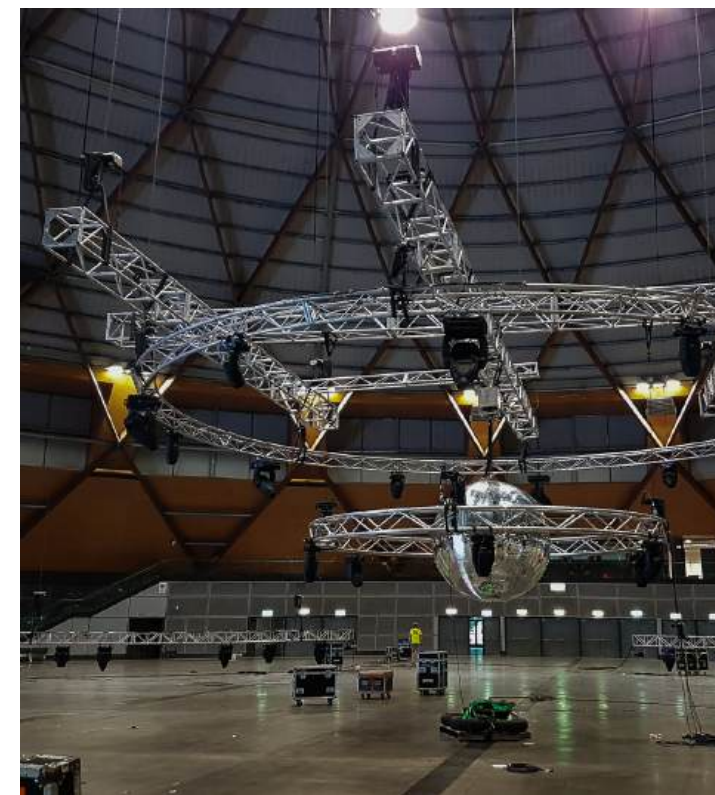

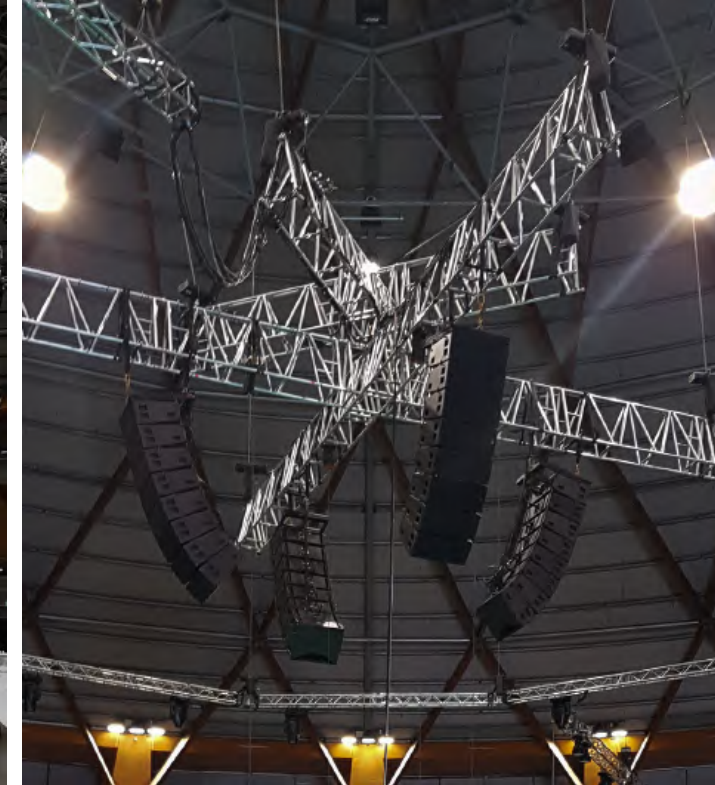

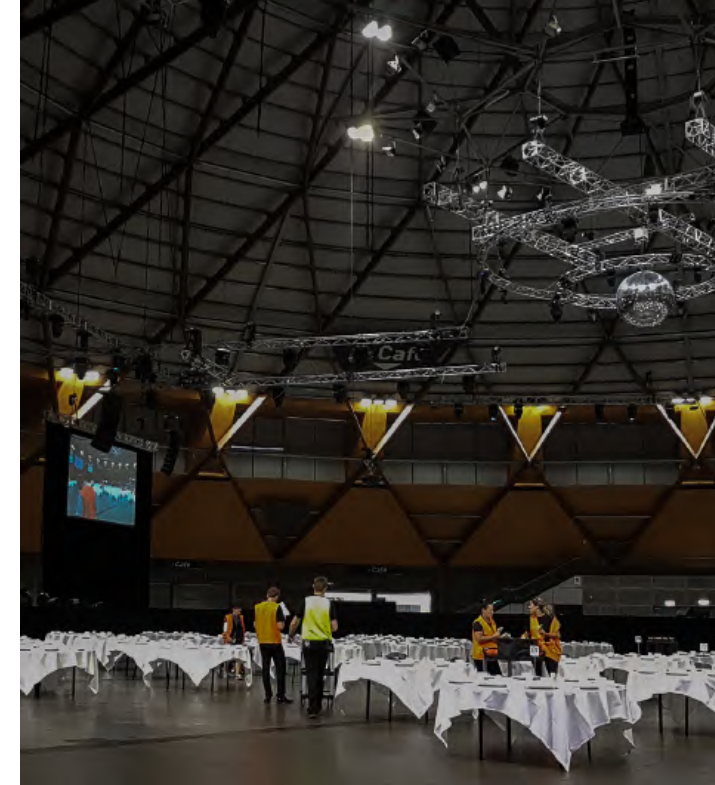

LET'S GO GREEK FESTIVAL

The planning and AV services delivered for Let's Go Greek Festival showcased our team's exceptional coordination and festival production expertise. From the initial stages of conceptualizing the event to the seamless execution on the day of the festival, Showtimes audio-visual team ensured crystal-clear sound, vibrant visuals and amazing lighting that captivated the audience, creating an immersive atmosphere that was celebrated by over 30 000 attendees. Positive feedback from organisers and attendees alike highlighted how our efforts transformed the festival into a memorable celebration, reinforcing Showtimes reputation for excellence in event planning and festival stage product and service delivery.

FASHION SHOW HOMEBUSH

Showtime delivered an extraordinary experience for our high-end fashion show client. Our expertise in providing top-of-the-line lighting, staging, audio, LED screens, rigging, and trussing brought the clients vision to life in spectacular style. The stunning lighting design created an ambience and vibe that perfectly complemented the designer collections, whilst our state-of-the-art audio system ensured that every note of the carefully curated soundtracks resonated beautifully throughout the 5000 capacity venue. Integrating elegant staging paired with sleek LED screens allowed showcasing the exquisite details of each designer, captivating the audience's attention throughout. Include flawless rigging and trussing, Showtimes exceptional service and meticulous attention to detail made the show not just an event, but a mesmerizing experience that will be remembered by all who attended.

WEDDINGS

Organising a wedding can be stressful, from concept design to execution, let us relieve you from added stress and help you put together your magical dream day to create long lasting memories. From rigging for your hanging floral arrangements or

custom roof design, to ambient and mood lighting creating the feel you desire, Showtime Production Services has the ability to collaborate with the best industry designers to deliver your dream wedding.

ROYAL HOTEL RICHMOND

Showtime supplied and installed a stunning LED screen for The Richmand's vibrant sports bar. This high-definition display boosts the game-day experience for guests, bringing every play, goal, and highlight to life with unparalleled clarity and excitement. Our team worked diligently to select and install a top-of-the-line LED screen that complements the sports bar's dynamic atmosphere. From initial consultation to flawless installation, Showtime ensured that every detail was perfectly aligned to create an immersive viewing experience that will captivate sports fans and elevate their enjoyment.

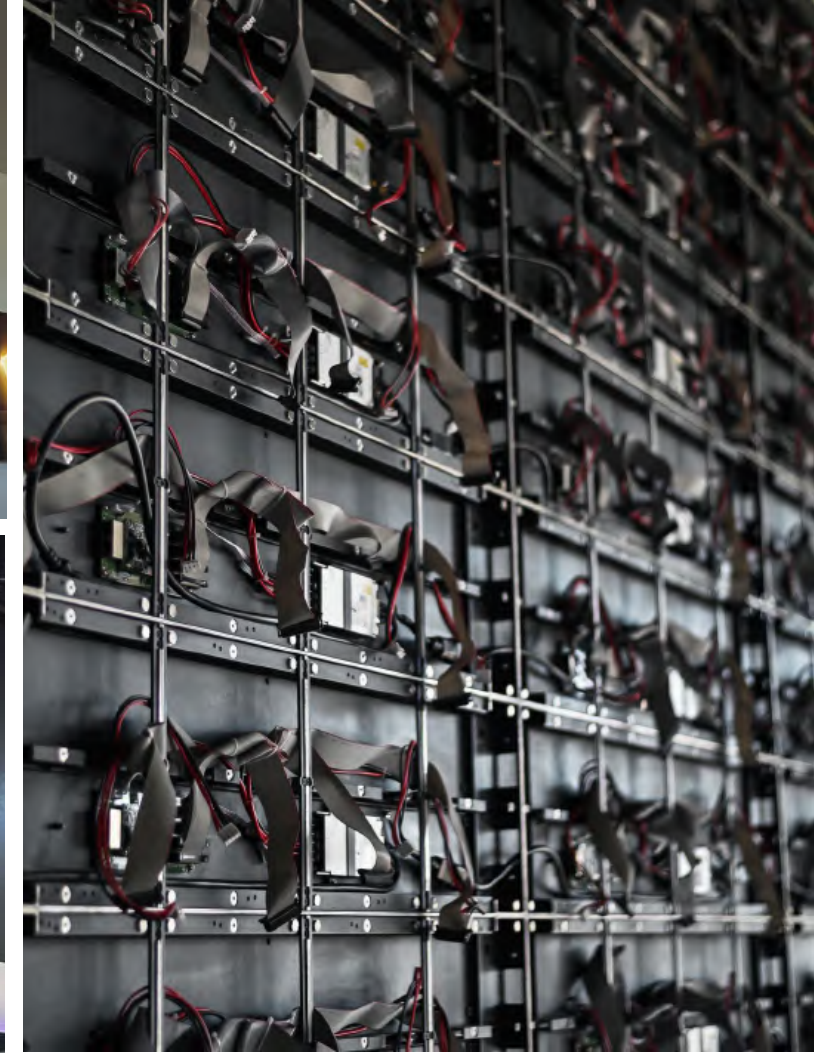

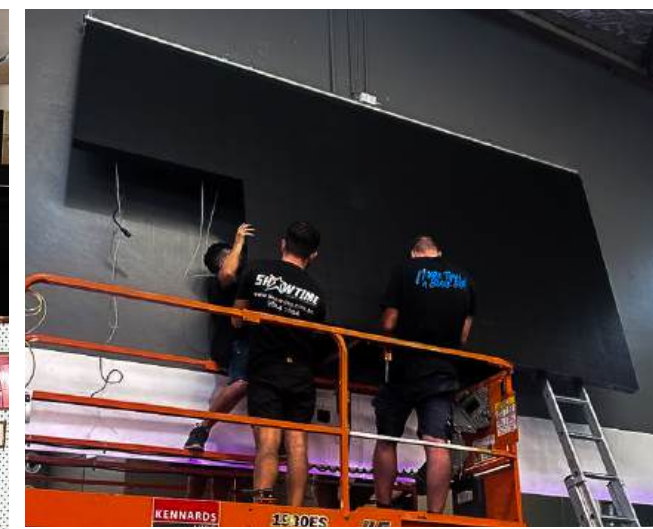

JOHN EDMONSON HIGH SCHOOL

John Edmondson High School contracted Showtime to supplied and installed a state-of-the-art LED screen that is set to revolutionize their educational environment. This impressive LED screen, one of the largest of its kind in the region, has been carefully integrated into the school's facilities to enhance both learning and community engagement. Whether it's for dynamic classroom presentations, interactive educational content, or vibrant school events, this high-resolution display promises to bring a new level of clarity and impact to every message shared. Our dedicated team managed the entire process—from initial consultation and design to the precise installation of the LED screen—ensuring a seamless integration that meets the unique needs of the school. The result? A cutting-edge visual experience that will inspire students, support teachers, and elevate the overall school spirit.
