About Us

Welcome to Project Demo, a family-run business dedicated to bringing your dream of seamless demolition to life. At Project Demo, we elevate our team to be an integral part of our vision, ensuring that our high level of service sets us apart. With over 15 years of experience in various areas of construction, we've established ourselves as a business dedicated to changing the standard of demolition, fostering long-term partnerships built on trust and reliability.

Our solutions-based ethos drives us to tackle any challenge you may face, from the simplest to the most complex issues that can arise in the initial stages of demolition. Our team's extensive range of skills, continually nurtured and expanded, ensures we can handle a wide variety of demolition projects with confidence and precision.

We understand that our team becomes a part of your team from the outset, and we are committed to making the entire process as smooth and efficient as possible. Serving Sydney and Greater Sydney, we are ready to travel wherever you need us, providing exceptional service every step of the way.

Our Approach

Seamless Collaboration, Seamless Demolition

Our demolition team boasts an extensive range of skills, continuously growing and fostering them to cover a broad spectrum of demolition works. We understand that our team becomes an integral part of your team from the project's inception through its duration. That's why we strive to make every interaction seamless, ensuring a smooth and hassle-free experience for our clients.

Our Journey

From Vision to Reality

Project Demo was born from a desire to revolutionize the demolition industry. Our founder, with years of experience and a network of trusted builders, recognized the need for a new benchmark in demolition standards. Determined to do things differently, we embarked on this journey to make our mark in the demolition game.

Our Services

At Project Demo, we offer a comprehensive range of demolition and excavation services.

Point of Difference

Skilled Laborers for Superior Results

Our strength lies in our team of skilled laborers, dedicated to delivering superior results on every project. With continuous training and upskilling, we ensure that our workforce remains at the forefront of industry standards, equipped to handle any challenge that comes our way.

Low Turnover, High Commitment

With a low staff turnover rate, we foster a culture of commitment and reliability within our team. This stability ensures consistency and excellence in our service delivery, providing our clients with peace of mind throughout the project lifecycle.

Partners in Success

At Project Demo, we're not just focused on completing the job; we're committed to finding solutions that benefit both the builder and the client. Our collaborative approach ensures that every decision aligns with our shared goals, driving success and satisfaction for all involved.

Northbridge & Kyeemagh

Experienced Team

Our skilled demolition team brings extensive experience in demolition and excavation, guaranteeing high-quality workmanship and adherence to project timelines.

Safety First Approach

We prioritize safety with rigorous training and strict compliance with industry standards, ensuring a secure work environment for our team and clients.

Environmental Responsibility

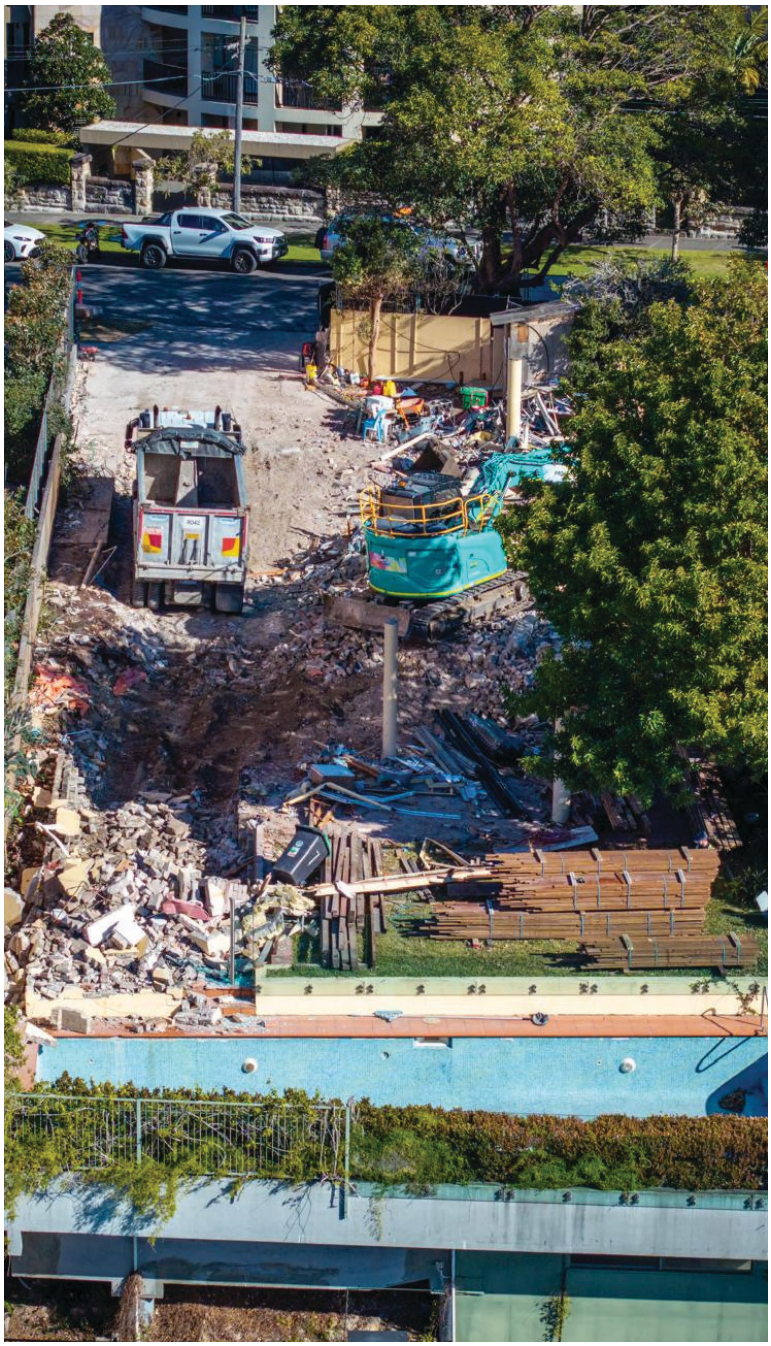

Committed to sustainable practices, we recycle materials and minimize waste, contributing to a greener future and greater budget outcomes for our clients.

Tailored Solutions

We understand that each project is unique. Our team works closely with clients to develop customized solutions that meet their specific needs and budget.

Core Values

Resourceful Problem Solvers
We work with you and your team to solve problems that arise on each project. If we can't solve it, we have someone who can.

Strength
We are a powerhouse of dedicated teammates, equipped with heavy artillery being ready to knock it down or dig it out.

Reliability
When you call our team will answer and turn up to every job we are committed to. Rain, Hail & Shine (unless you cancel it).

Stamina
Always investing and upgrading our machinery and tools to ensure your project is completed on time #nobreakdowns!

Transparency
We will communicate with you every step of the way to ensure we are both always on the same page.

The Project Demo Promise
Every construction dream starts with a demo – let our team give you the best start.
