OUR STORY

Green Valley Spices, a family-owned Australian business, started 38 years ago in São Paulo, Brazil, with Armando's passion for creating premium herb and spice blends. After moving to Australia in 1986, Armando founded the business in Sydney, maintaining his commitment to quality.

Today, his sons Frank, Samir, and Ricky carry on his legacy, providing premium herbs and spices to Australian families and businesses. In 2022, the brothers expanded by partnering with Anthony at their Flemington Markets store and opening Green Valley Roselands, offering spices, nuts, sweets, and global groceries.

Their dedication to quality and customer service led to the launch of Green Valley GOES NUTS, a kiosk delivering freshly roasted nuts, sweets, and Turkish delights nationwide.
