

Stacks Laundry Capability Statement

Stacks Laundry

Stacks Laundry is a newly-established laundromat with 3 current locations in Sydney, dedicated to providing high quality laundry services to the community. Recognising the change in landscape due to the cost of living crisis, we witnessed the rise of laundromat services being used as an essential service.

A laundromat like Stacks Laundry provides an individual or families a cost-effective, energy efficient and time saving way to complete a week's worth of laundry in only 30 minutes.

COMMERCIAL & RESIDENTIAL

We offer comprehensive laundry services for mixed use development sites with a main focus on centres and retail spaces. Each state-of-the-art facility is equipped with advanced washers and dryers from Speed Queen, the world's largest laundry equipment manufacturer.

ECO-FRIENDLY PRACTICES

Stacks Laundry is committed to environmental sustainability. Our laundromat employs environmentally friendly practices, including energy-efficient machines and water-saving technologies in the aim of minimising our carbon footprint whilst providing high quality services.

COMMERCIAL & RESIDENTIAL LAUNDRY SERVICES

We offer comprehensive laundry services for mixed use development sites with a main focus on centres and retail spaces. Each state-of-the-art facility is equipped with advanced washers and dryers from Speed Queen, the world's largest laundry equipment manufacturer.

SELF-SERVICED LAUNDROMAT

Our laundromat provides flexible options to cater to different customer needs. Our laundromats are open 7 days a week, with the option to open for 24 hours. Our hands-on approach of self-service ensures accessibility and convenience.

QUALITY ASSURANCE

Our team of trained professionals ensures the highest standard of cleanliness and care. Our machines are self-sanitising, and the laundromats are sanitised and cleaned daily.

Stacks Social

Stacks Social is set to become a leading provider of comprehensive laundry services tailored to meet the unique needs of apartment complexes. Managed and run by Stacks Laundry, Stacks Social is committed to excellence, efficiency, and creating a vibrant community. Our commitment extends beyond clean clothes; we aim to enhance the mental well-being of tenants by creating a social hub within the confines of their home.

SECURITY AND CONVENIENCE

In providing a 24 hour service, Stacks Social will be monitored by CCTV 24/7. We take the safety of tenants very seriously, and each facility will be secure and monitored, so tenants can safely drop off their laundry and complete any other tasks needed outside of the facility.

INCREASED VALUE FOR PROPERTY MANAGERS

Stacks Laundry is committed to environmental sustainability. Our laundromat employs environmentally friendly practices, including energy-efficient machines and water-saving technologies in the aim of minimising our carbon footprint whilst providing high quality services.

COMMUNITY ENGAGEMENT

Stacks Social is not just a laundry service; it's a social hub within the apartment community. Each fit-out will come fitted with ample seating, a kids play area, vending machine, coffee machine and television screens.

More than just a place to tick off your to-do list, Stacks Social is a space where tenants can find solace, support, and companionship.

PROFESSIONAL LAUNDRY SERVICES

Our state-of-the-art laundry facilities are equipped with the latest technology to ensure the highest quality service. We handle all types of laundry loads, from everyday garments to specialty items, with utmost care and attention.

SUSTAINABLE TECHNOLOGY

Stacks Social uses machines from Speed Queen - the industry leader in laundry machines for over 115 years. We also choose Speed Queen due to their energy efficiency, allowing us to continue on our sustainable mission to reduce environmental impact and utility costs for the property.
