SECURE CO

I would like to thank you and your team at Hasbuilt Projects for the excellent fit out of our new office space. At all times during the engagement, you were available for consultation and advice on how best to lay out the space as well as being a font of ideas based on previous projects.

STEADFAST

Hasbuilt previously completed 2 smaller jobs for Steadfast and they did them to perfection, so we thought "let's give the a go at a larger one (1200sq.m)". Was not disappointed!
