

**CIVIL DESIGN &
CONSTRUCTION
EXCELLENCE**

WHO WE ARE

Auswide Civil are a Civil Contractor with great experience and expertise in the construction industry.

Our ever-growing list of projects are personal. By operating as a boutique style construction company, our experienced staff are directly involved with your projects to ensure the most sustainable and cost effective design and construction.

OUR PROMISE

Quality

We promise to deliver quality projects that will go above and beyond expectations.

WH&S

We will provide a safe work environment for our team on all projects to ensure they are able to complete their work to the best of their ability.

Sustainability

We will care for the environment and with our quality leadership, we implement strategies to ensure our work is built for the future.

Relationships

We not only have the technical expertise but also a strong customer relationship focus, to encourage repeat clients and continue to provide excellent outcomes at final completion

OUR PHILOSOPHY

We aim to provide quality civil works with a strong focus on precision, training and problem solving. Our team is dedicated to safety and integrity on every project.

We pride ourselves in having a residential focus, completing our work in a timely manner and solving problems efficiently while adhering to budget. Our sound project management systems for safety, quality, environmental and risk mitigation ensure a seamless transition between project phases to ensure sustainable and efficient outcomes.
