

YSP ACADEMIC TUITION

Capability Statement 2026

ACADEMICTUITION.COM.AU

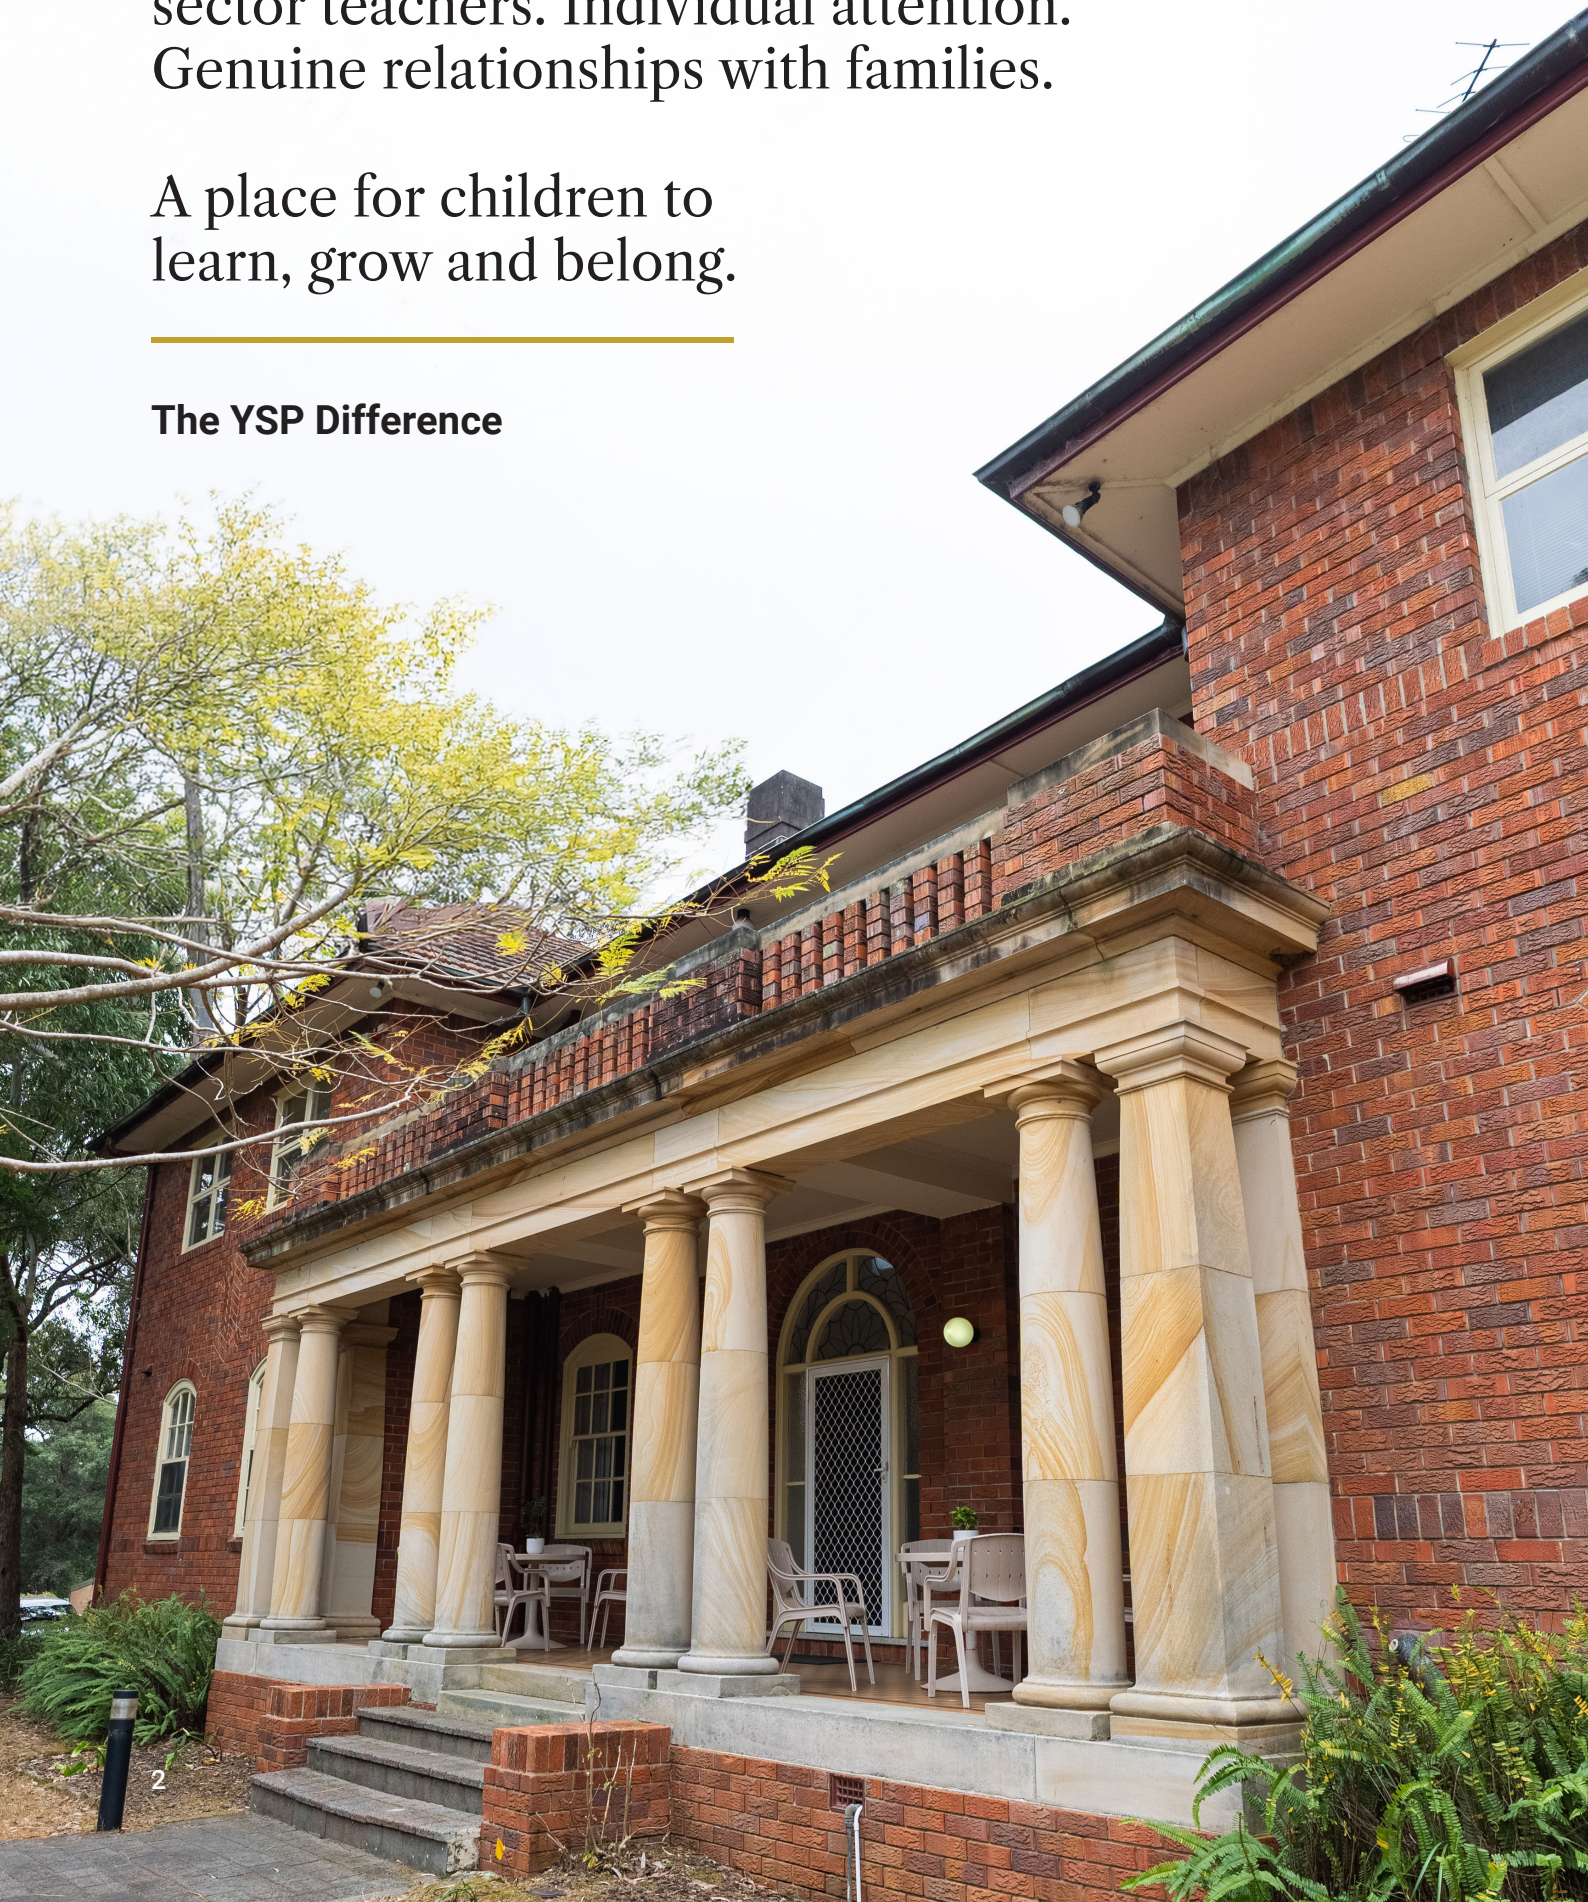

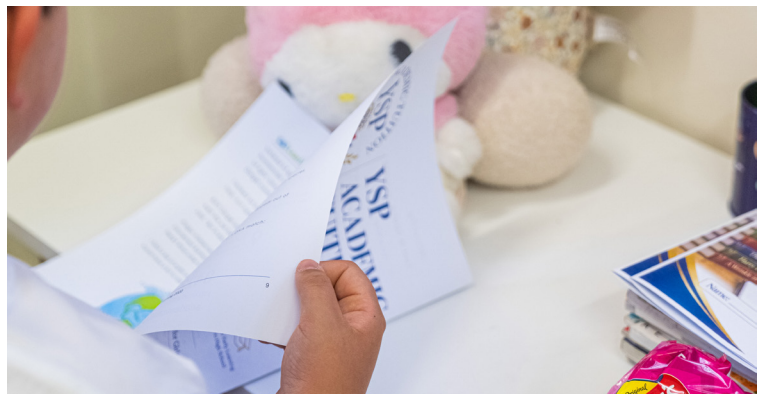

**YSP
ACADEMIC
TUITION**

Small classes. Qualified private
sector teachers. Individual attention.
Genuine relationships with families.

A place for children to
learn, grow and belong.

The YSP Difference

More Than Tuition

At YSP Academic Tuition, education is about more than worksheets and test scores. We provide a warm, personal learning environment where every child is known, encouraged and supported.

YSP provides children of all abilities with exactly what they need to improve and excel in all areas of English Language

Studies. Because of the individual and tailor-made programs, results are immediate. Children rise within their school year groups extremely quickly, breaking free from ESS, advancing into Extension Classes and many gaining entry into selective schools and being awarded scholarships.

From Our Parents

“...the care and quality that is provided at YSP is second to none. My son has been with YSP for many years and his progress is amazing.

It’s amazing what kids are capable of with the right guidance...”

For Your Child

With small groups of no more than three students, our qualified and experienced teachers provide personalised attention, adapting their approach to suit each child's learning style across Pre-K to Year 7.

Our English program covers Writing, Comprehension, Spelling, Vocabulary, Scholarship and Selective preparation, while developing confidence, communication and independent thinking.

As one of the few providers with access to the Primary Writers Program, YSP offers a distinctive approach to developing children's writing.

For Your Family

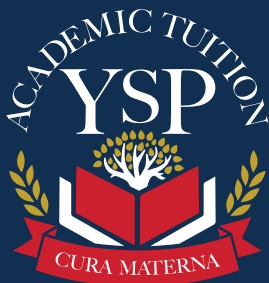

YSP is deliberately different from the large tutoring-centre model. We know our students and their families, communicate with parents and provide continuity as children grow. Teachers provide feedback after every lesson.

Based at Bulayu House, in the grounds of Sturt University, North Parramatta,

next door to The King's School and Tara Anglican School for Girls, we have created a learning community for families from leading independent schools and the wider local community.

YSP offers comprehensive academic preparation and interview coaching for both students and parents.
