Data Protection & Privacy Consent

Ascend Clinical Research is committed to protecting your privacy and handling your personal data responsibly.

By providing your information, you confirm that:

- You understand that **Ascend Clinical Research** will collect and process your personal data in accordance with the **UK General Data Protection Regulation (UK GDPR)** and the **Data Protection Act 2018**.
- The personal data we collect may include your **name, contact details, date of birth, medical history, and other health-related information** relevant to clinical research.
- Your data will be used **solely for purposes related to clinical research**, including:
 - Assessing your eligibility for clinical trials
 - Contacting you about current or future studies
 - Regulatory, safety, and ethical requirements
- Your data will be stored **securely**, accessed only by **authorised personnel**, and retained only for as long as necessary.
- Your information will **not be shared with third parties** unless required by law, regulatory authorities, ethics committees, or approved research partners.
- You understand that you may **withdraw your consent at any time** without affecting your rights or participation, by contacting Ascend Clinical Research.

Your Rights

You have the right to:

- Access your personal data
- Request correction or deletion
- Restrict or object to processing
- Withdraw consent at any time
