

WHY VALENTINE’S DAY IS BETTER ON A BOAT

Celebrating Valentine’s Day typically involves hastily making reservations at a nice restaurant that will most likely be full to the brim with other couples. There’s nothing wrong with a social atmosphere. Still, sometimes an overly loud environment can distract you from the point of this special occasion – you and your partner.

Plus, given the state of the pandemic, a restaurant with a large crowd might not be the best Valentine’s Day venue. Taking your boat out on the water for an intimate evening together without the intrusion of loud patrons or busy waiters maneuvering up and down the aisles may be a better choice.

That being said, if it’s safe to do so, you can still go to a restaurant after the boat ride. However, having that time on the boat allows you to isolate yourself from an obnoxious environment and indulge in some romantic privacy with a truly stunning backdrop.

SWEETHEART SAILING REGATTAS IN THE U.S. IN 2022

Some sailing clubs in the country honor their beloved on Valentine’s Day. One and two-day regattas are taking place at Pensacola Beach Yacht Club, Gulf Breeze, Florida (Valentine’s Day Regatta); Santa Barbara Yacht Club, Santa Barbara, CA (Sweetheart’s Race); and the St. Petersburg Yacht Club.

Look for the chance.

I went sailing this weekend. Sunday afternoon I took the opportunity to take advantage of the sunny day and higher temperatures and we went for a sail. The winds were perfect with about 8-10 knots out of the northwest building to a steady 13-14 by the time we called it a day. Granted, later in the day as the winds built, it got cooler, but for a February afternoon, it sure was delightful.

We try to sail every Sunday. It keeps us as a crew connected. It also keeps us, as members, connected to the club. While we were out, we saw several other members enjoying the lake and it sure was nice to see them out there. There is nothing like having OCBC creating such a great atmosphere on the lake. I regularly hear from my non-sailing friends how great it is to see boats on the water. I have always said what a great situation we have with Lake Hefner and its location and ease of use. We are also part of what makes it great. Our presence on the lake is part of what makes it a beautiful place.

I know this is the time of year we have our boats on the hard to do maintenance and get ready for the summer sailing season. Don't forget that if there is wind and water, it is sailing season.

Go sailing.

See you on the water,

David

Hello OCBC! I apologize for my absence from *Ye Logge* over the last two months. Despite being fully vaccinated and boosted, Omicron found its way into our house. The actual symptoms were not that bad and only lasted a few days, but weakness/fatigue lingered for quite a while. We're on the mend now though.

Weather prohibited our scheduled Planning Committee meeting, which has been rescheduled for February 19 apt 1PM at the club. Please plan to join us if you are interested in the continued evolution of our great club.

Last night, Teresa and I competed in the Chili Cook Off. Wow, what a fun time and great turn out. Many thanks to the Handicap Fleet for yet another top notch party.

Centerboards will be returning to the Lighthouse Charity Regatta this year for one day of racing on June 18th with the Challenge Cup taking place late afternoon of the same day. Keelboats will compete on 25-26 June. Please mark your calendars and join us!

I look forward to seeing you at the club or on the water soon!

2022 CHILI COOK-OFF

We had 17 Chili entrants, and all of the various drinks that anyone wanted; they were all delightful. The people that helped put it on were Geoffrey Barbour, Allyn & Anne Baskerville, Glede Holman & Casey Barnett. And the Chiles selected for the best were made by Geoffrey, Allyn & Anne and Glede. Thanks so much to everyone for putting on the contest. To see all the pictures, click on the link below, then click on the first picture to start the slide show!!!

Well, it's winter at the boat club and everything is cold, sluggish, or frozen, even the members. So much so that we failed to have enough members present at the January meeting to transact the club's business. We had a provisional member who has completed all of the requirements for membership, but we couldn't vote for his movement to regular status, since we couldn't hold a valid vote. Heck, we couldn't even approve the minutes from the December meeting.

So, we need your attendance at the February meeting. It will be held on Thursday, 10th of February at 7:30PM. I know it's still winter and I know that COVID is still a serious threat, but if you can safely attend, please do so. I'll see you there.

Ladies Sailing—Anita Endres
