Looking Back

As I sit to write my last note as Commodore, I cannot help but look back on the year to see what has happened. Though our season may not have ended how we wished, with the need to pull all boats from the harbor, we had a great season of sailing at OCBC.

We had great sailing and active fleets. Everyday had some activity out at the club. The youth presence and activity was fantastic and noteworthy. This season we hosted the Dust Bowl Regatta and there were several competitors that came up from Texas. We are hopeful this event can be recognized as a circuit regatta for the youth. OCBC was well represented and showed our guests the wonderful place we have in OCBC.

Active fleets and busy starting lines were common on Wednesdays. The Race Committee put together great races and made sure we could compete. There was also great racing on Sunday. A bit more casual affair, the racing was still great, and the courses put us to the test.

The regattas and parties were great and a fun time for all. The respective committees did a phenomenal job making sure we had events at the club. This is another reason OCBC is such a great place to be a member.

As my term as Commodore ends, I have mixed emotions. I have been honored and grateful for the opportunity to serve as Commodore.

See you on the water,
David

Vice Commodore—Glede Holman

Greetings OCBC! As my Vice Commodore year draws to a close I send out a hearty “thank you” to our members for helping make 2022 a great year. Yes, we have been plagued with water level issues and unusually hot weather, but we made the most of it and still had a good time.

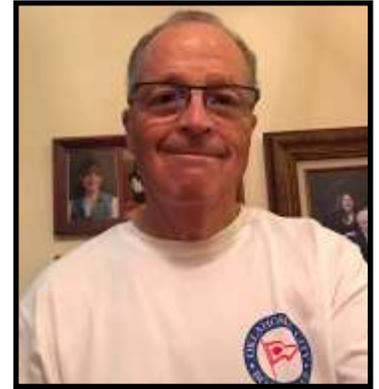

While the remainder of 2022 May be a challenge for sailing, we’ll make the absolute most of it and take advantage of the low water to address some much needed maintenance so we are in good shape when water returns.

I look forward to seeing everyone around the club.

Grady Logan—Secretary

Summary of Minutes of BOG Meetings

At several recent meetings, the board has considered changes to the Lighthouse Charity Incorporation documents and bylaws. The purpose of these changes is to establish greater autonomy and improved management of Lighthouse Charities. Before these changes were made the Oklahoma City Boat Club Board of Governors served as the Board of Directors for Lighthouse. This has raised some questions about how independently Lighthouse Charities is actually managed. This policy also hinders long term planning and fund-raising efforts. As the OCBC board turns over every October the Lighthouse board also changes, interrupting the ongoing operations of LCI. A summary of the most significant changes that were approved by the LCI board at its October meeting are as follows:

- The Lighthouse Board of Directors shall consist of at least 8 members, but not more than 13.
- At least half of the board members must be regular members of the Oklahoma City Boat Club. These directors will be selected by the incoming OCBC Board of Governors as soon as practical after the annual October Elections.
- The remaining members of the board shall not be OCBC members. These directors will be selected by the Boat Club's board and shall serve a three-year term.
- Vacancies in the LCI Board of Directors will be filled by action of the OCBC Board of Governors. When vacancies arise among the non OCBC members these shall be filled from candidates recommended by the Lighthouse Charity Board to OCBC Board of Governors.
- There are other changes that clarify the mission of LCI and support the restructuring of the Board of Directors.

As you can see these changes make for more stable and independent management of Lighthouse Charities Incorporated. The Lighthouse Charity is doing great work promoting the sport of sailing particularly among the youth of this area. Its programs are growing in reach and scope and these bylaw changes and the addition of a volunteer Managing Director will go a long way to supporting its continued success.

LIGHTHOUSE CHARITIES

Greetings OCBC!

Can you believe that Lighthouse Charities, Inc. (“LCI”) has finished its 22nd season? Thank you to everyone who makes our programs possible including our intrepid coach, Lynn Pinegar, who ended this season a little worse for wear. We are sending her our best wishes for a speedy recovery.

I am very excited to announce that the LCI Board passed amendments to the Certificate of Incorporation and Bylaws. Going forward, LCI is now looking for board members – both club members (and spouses) and non-members who would be interested in serving on the LCI Board. If you have suggestions, especially anyone as a non-member board member, or are interested, please let me know.

Through experience, we have decided this year to focus on STEM (science, technology, engineering and mathematics) programs to partner with us. We think this would be a good way to get more youth to participate and be involved for our youth programs, including using scholarships. If you have a contact or an idea on who to contact, please let me know as we are enthusiastic about following up to explore opportunities for future collaborations.

LCI and University of Central Oklahoma hosted the Kilpatrick Collegiate Regatta on October 1-2. Once again, OCBC members came out in force to help put on an excellent event even though the wind was very light both days. We are so proud of our Oklahoma sailors.

I am open to suggestions on ways to involve members and people in our community in learning how to sail and other related courses such as safety and medical related training during the off season. If you have any suggestions or would like to instruct a class, please let me know. We really appreciate suggestions, pictures and knowledge that our members are willing to share to enhance our program and help future sailors and club members!

LADIES' SAILING—Anita Endres

September was a great month of sailing centerboards and multihulls on Saturdays and Tuesdays. We had several boats out on both days. At least 6 new sailors who took Lynn Pinegar's adult classes joined us to practice what they had learned. Two of them are interested in joining the club!! Already thinking about next season, I can see the Saturday morning program expanding and am asking if any members are interested in helping me next year, please email me at anitaendres@gmail.com

Don't forget to come to Restorative Yoga on Fridays 6:30-7:30. It's a great way to end the work week. We have a variety of great teachers and the cost is still a donation of whatever fits your budget!!

Enjoy autumn,

Anita
