COMMODORE—David Archibald

It is that time of year again. We are getting ready to host the Lighthouse Charities Regatta over 2 weekends. Centerboard and Multihulls with race on the 18th of June followed by the Challenge Cup that evening and the Keel boat regatta will be the following weekend the 25th and 26th of June.

I know our Vice Commodore and the rest of the Committee have been working hard over the past 12 months to make this a great event. I encourage you all to participate in some fashion. Enter a boat, sail on a boat, or sponsor a boat.

As the educational outreach for our club, Lighthouse Charities is an instrumental part for the continued growth of our club. Many of our new members have come from the kids that have come through camps or sailing lessons.

As part of the mission, Lighthouse purchased 10 RS Zests to serve as the educational platform for the lessons and camps. I took one of these sailing this past weekend, and they are a great little boat. They go together quickly and are easy to launch. This makes getting out on the water a breeze. They sail well to; since they are so light they are nice and responsive. They are also easy to right as I unintentionally found out. I plan on racing one in the Centerboard Regatta they are fun.

Support Lighthouse, get involved.

See you one the water.

David

**Leadership Development Task Force Report,
Notice of Presentation to Membership of Proposed Amendments to the OCBC Bylaws
and Town Hall Meeting Thursday, June 30 at 1830 hours**

Beginning in March, the Leadership Development Task Force (LDTF) chaired by Chris Bayouth, who is also the Nominating Chairman (and chaired last year's Membership Development Task Force), began meeting to review many provisions of the Bylaws, most of which affect movement between membership classifications that were brought to the Board in March, 2020, by the Membership Committee and referred to the Bylaws Committee. There were differences of opinion so the LDTF decided it was the best place to start its task.

After several meetings, the LDTF was ready to present its recommendations and ask for input from members before finalizing the proposed amendments. Two Town Hall meetings on May 24 and May 31 had light attendance after posting the changes in a document on the "Members Only" section of the OCBC website, but quite a few minor changes brought up at those meetings were incorporated into the document that is now posted on the website as the final draft. The LDTF is planning to place the proposed amendments on the floor at the **Thursday, June 9, membership meeting** for discussion and posting after the meeting. A **3rd Town Hall meeting on Thursday, June 30, at 1830 hours** is scheduled to answer any questions as LDTF is planning to have the membership vote on the amendments at the July 14 membership meeting.

As it is a lengthy document, it has been posted on the "Members Only" section of the OCBC website but will not be printed in Ye Logge nor attached and sent to our members-only email list that isn't up to date at this time. Each proposed amendment has the (1) provision as it is now, (2) "red-lined" version of the proposed amendment(s), (3) the way the provision(s) will read if the amendment(s) are approved by the membership, along with a (4) brief description of the rationale for the changes. Most of the changes are to bring our Bylaws in line with what the membership's perception already were and to be more consistent about movement of membership classification.

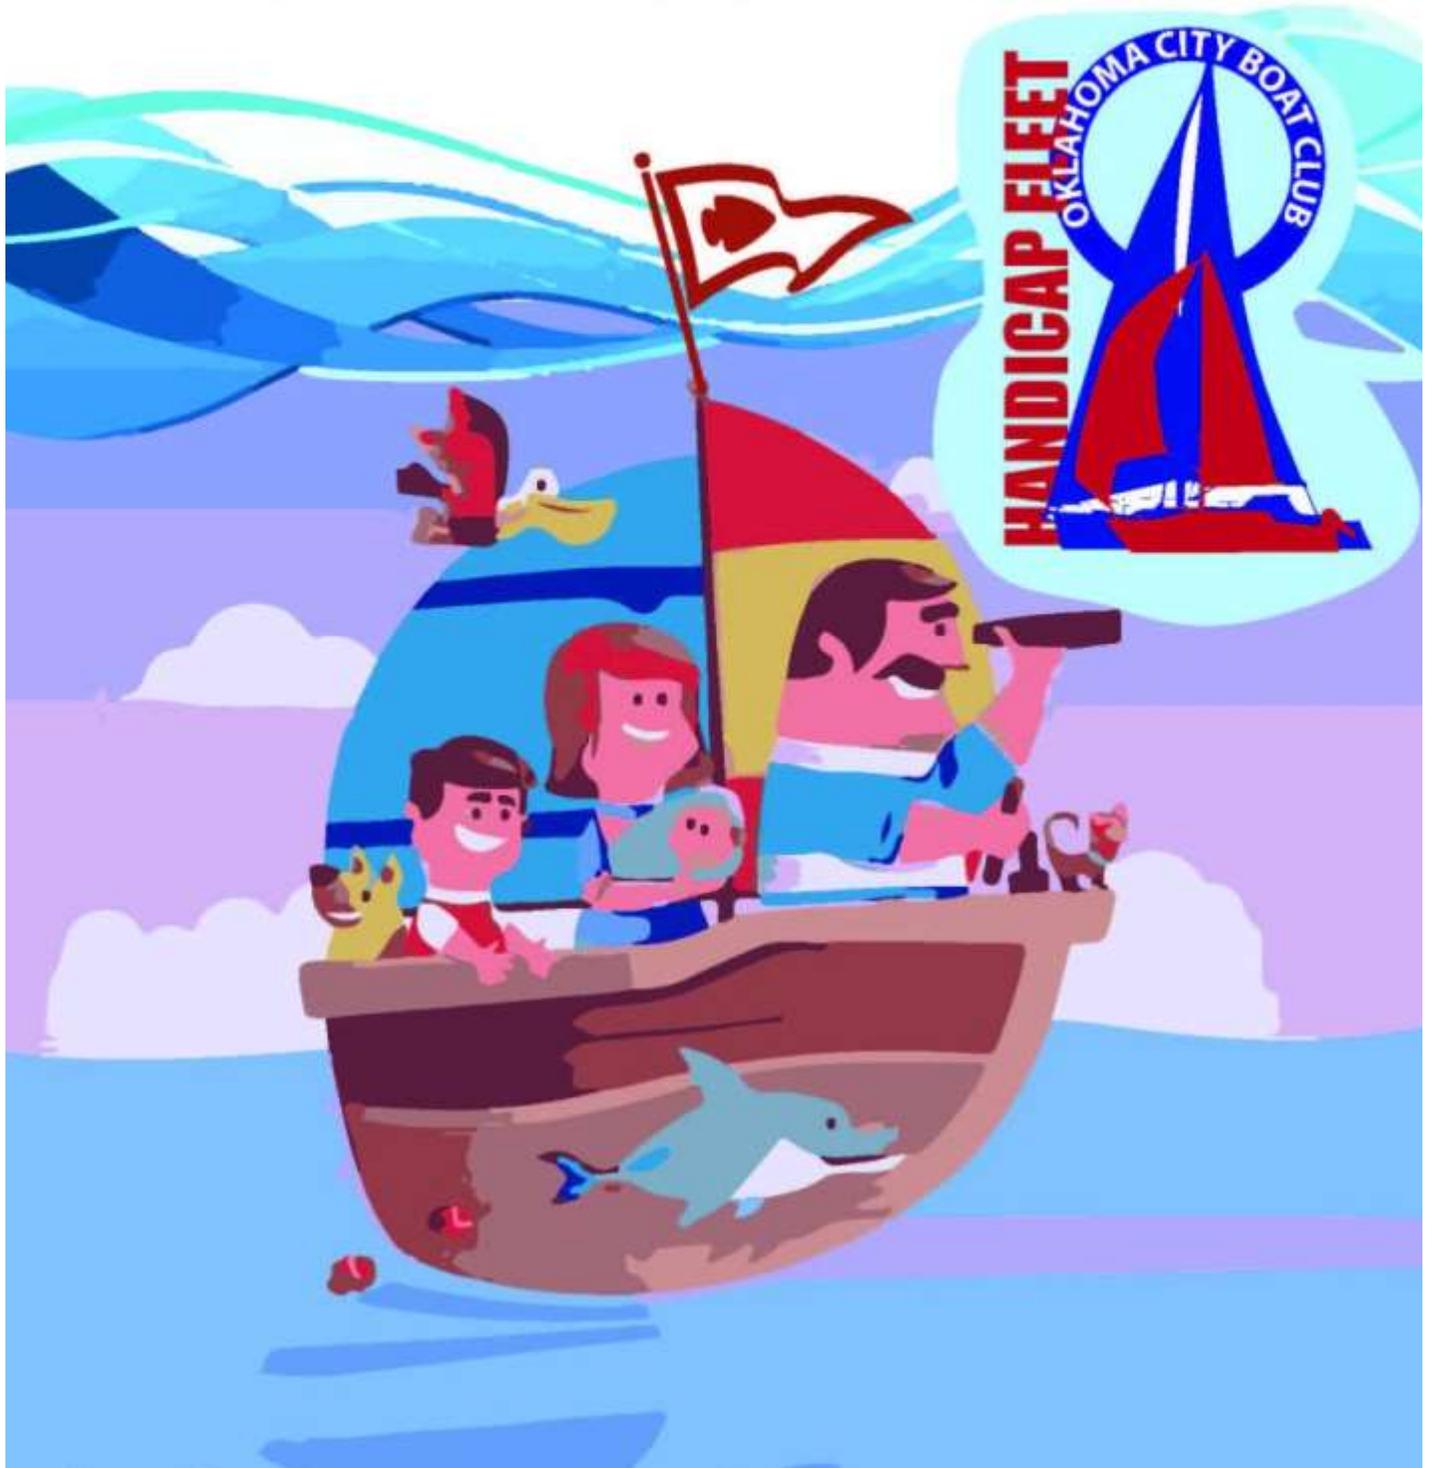

We encourage you to look at the proposed amendments before the club meeting this Thursday and feel free to call, text or email someone on the LDTF if you have any questions. And of course, my huge appreciation and thanks to those who were able to come to one or more of the meetings with thoughtful discussion and suggestions.

LADIES' SAILING—Anita Endres

The sailing season is off to a great start! Saturday morning sails started June 4th. We had 7 people come out to do the capsizing drill on the RS ZESTS, then we went for a little sail. We meet on Saturdays at 9:30 am through September. Once you complete the capsizing drill, you are eligible to use the ZESTS for the Tuesday night Centerboard Racing Series. Members can also participate in the Lighthouse Charity Regatta Centerboard Race on Saturday June 18th and Lady of Lake Regatta in July (sorry fellas, just the Ladies for that one). This year the Lighthouse Board is implementing a user fee of \$25 for members who choose to race the boats.

During Lighthouse, there are volunteer opportunities as well as event T-shirts, raffle tickets (\$10 each or 3 for \$25) for the Lighthouse T-shirt quilt donated by Becky Archibald. There is also a Hefner Grill dinner on the 25th for \$30 per person with Entertainment by local long-time DJ Ronnie Kaye.

Also, Yoga is happening on Friday nights at the club at 6:30. Cost is a donation of whatever fits your budget. All are invited to participate.... grab a mat and join us to increase your physical strength and flexibility.

See you on the water,

Anita
