COMMODORE'S REPORT

Terry Parker
(405) 650-3789
Parkert1@cox.net

Wow, the year has flown by! It's been a year of challenges and surprises – the biggest of which was a harbor full of nothing but mud on Splash Day turning into a harbor full of boats and water 30 days later! Race Committee and Lighthouse Committee had to scramble, however what a wonderful problem to have and both met their objectives.

Thank you to all of the committee chairs and members who work so hard to make this club the success that it is. I also would like to thank the Board of Governors, Carl Borgfeld, Scott Law, Billy Pratt, Karl Benzer, Dan Endres, Rick Chamberlain, Duane Dahlgren, Stan Nieves, and George Davis for the sacrifice and commitment of your time (and in some cases money) to do whatever it takes to keep the club running. I appreciate you more than words can adequately express.

Congratulations to the winner of the Commodore's Cup, Richard Walford! The winds were a little lazy (understatement of the year), but it was a beautiful day other than that. Many thanks to Scott and his committee for a job well done. Also, major kudos to the Race Committee! They successfully completed the regatta in a single day.

Keep in mind the Awards Banquet is November 21st at the Central Oklahoma Builders Association Event Center, 420 East Britton Road. There will be a delicious catered dinner and The Mystery Dates will be playing for your dancing pleasure.

And last, but certainly not least, I would like to thank the membership for the privilege and honor of serving as your Commodore. It's been a most memorable experience and I couldn't have done it without your support, especially that of past commodores who were always available for words of wisdom. Hope to see you all at the annual meeting and the banquet!

Vice Commodore's Report

Well the end is here, it sure went by really quick. I really wish we had done more this year, but a hamper of funds and time management, did not seem to be on our side. We will re-group and re-approach next year. I would like to say that I have really enjoyed my time on the Board this year. Working with Commodore Terry Parker and Rear Commodore Bill Pratt, it has been my pleasure indeed. We had a really good working relationship. And in an all-volunteer club, nothing is more important. I look forward to continuing that same relationship with Billy, and now Stan Nieves. Stan is running un-apposed for Rear Commodore. And quite frankly that is OK. Stan has worked really hard this year, and he has made it very well known that this was his goal. So, I wish him the best in his success. I hope that Billy and I can offer some assistance, and we can all look forward to next year, to continue on. I have also enjoyed working with the rest of the board as well. Some of them are re-running in a different position, and some are trying for the same one all over again. I wish them all the best of luck. After all consistency is not a bad thing at all. Look forward to seeing everybody on Thursday night.

Sincerely,

Scott Law

Vice Commodore.

Rear Commodore's Report

Billy Pratt

Election time is here for OCBC. As we begin a new fiscal year I like to look at the year we just finished and see what we accomplished, what we didn't accomplish, and what we can do better. I want to thank everyone for their support for me as Rear Commodore. I want to thank everyone who showed up at work parties and those who volunteered to do work around the club when a work party wasn't scheduled. At the work party in April, over 60 members were present to help. That's the most people at a work party that I can remember in a long time. As a result, we accomplished a lot that day. Thank you. For anyone contemplating running for flag officer, I say "Do it". I learned more about the club during this year than I had before. I hope it will make me a better Vice Commodore. Upcoming years are going to be a challenge for the club as staying the same is going to cost more. In upcoming meetings, proposals will be offered and discussed concerning dues increases or assessments. I urge each one of you to carefully consider your vote in the light of what is best for the club. The next two months should bring us a lot of good sailing days with comfortable temperatures and wind. I hope to see you out on the water.

As my term as Rear Commodore comes to a close, I want to thank everyone for their support and offers of assistance this year. When something needed done, there was never a lack of volunteers. Thank you.

I want to thank Gene McClendon and Van Downing for taking the initiative and replacing and repairing dock boards on A and B docks. They are the OCBC members of the month. When you see them, thank them. I encourage everyone to help the incoming Rear Commodore as much as you helped me. Fair winds and following seas.

Candidate Statements

Candidates for the Board of Governors were invited to submit statements telling the membership whatever they wanted them to know about the candidate. These statements were submitted.

Danny White

My name is Danny White. I have been a member of the club since 2013 and sailing since 2012. I am pretty good with data entry and spreadsheets. I feel comfortable with financial reporting. Have been an accountant for 30+ years and a CPA since 2003. My family and I really enjoy the Oklahoma City Boat Club and would be honored to serve as assistant Treasurer.

George Davis

Due to a resignation, I was nominated and have served as a Member at Large on the BOG since February. I would like to continue to serve, if that is the desire of the membership. OCBC is a treasure and needs the contributions of the members who are willing to put in the time and energy to take care of the present and plan for the future. As a member of the BOG, I would support a multi-year plan for facility upgrades and a structured dues increase to match, but not exceed, those requirements.

I wish Sue Ogrocki the best in the election, I know that she would make an excellent board member.
