October membership meeting; elec-
tion of officers and board of gover-
nors for 2015-2016

COMMODORE'S REPORT

Terry Parker
(405) 650-3789
Parkert1@cox.net

You will be asked to vote on a structured dues increase during the September Membership Meeting. Please attend, take part in the discussion, and base your decision based on facts and not on rumors.

The Nominating Committee has presented and the Board has approved their slate of 2015 – 2016 candidates. Express your appreciation to those willing to sacrifice their time to serve the club. Take the time to contact the candidates and get to know them (if you don't already). I want everyone to vote, but please be informed so that you can vote for the candidate that most represents your wishes for the direction of the club. Those nominated are:

Commodore: Scott Law
Vice Commodore: Billy Pratt
Rear Commodore: Stan Nieves and Gary Saunders
Secretary: George Davis
Sue Ogrocki
Treasurer: Rick Chamberlain
Treasurer Elect: Danny White and Dr. Earl Miller
Members @ Large: Steve Meyer, David Snow, Justin Howard, Chris Bayouth, Shawn Cina and Duane Dahlgren

Also, I would like to thank the 2014 – 2015 Committee Chairs and Members and Board of Governors for their service this past year. I especially would like to commend everyone for your efforts in keeping expenses down so that we would not go over budget. Great job!

Vice Commodore's Report

I will make it short and sweet this month to leave room for the incoming candidates. Please support all the candidates in any way you can, it is a thankless job to run a volunteer Club. All in all in spite of our differences, we all want to see the club flourish and survive. So get out there visit with the people, get their thoughts and come in October and support the person you want to see win. It is getting harder and harder to get people to step up, so please take the time to support the ones who do. This has been a strange year, we started off thinking that there would be no water again, and were already making plans in that direction, then the floods came and here it is September and we still have water to sail in. Who knew? Certainly, not me. But I will take it none the less. We still have some sailing left in the season, I suggest we get out and enjoy while it is there, because who knows what next year will bring.

Scott Law, Vice Commodore.

Rear Commodore's Report

As we sail into the back half of the sailing season, and fleets are working to determine who their fleet champions are going to be for the Commodore's Cup, I would like to say thank you to everyone who has worked on the race committee this season. A special thanks goes to Mike Anderson and Paul Pape for their work organizing things. If you have never done it, you don't realize just how much work is involved in being PRO. Everyone working on the RC at any time deserves a pat on the back. Thank you.

Commodore Parker mentioned the slate of candidates for the upcoming elections. If you are one of the candidates, thank you for volunteering to serve the club. Each candidate that desires to do so can email me a short paragraph telling what you want the membership to know about your candidacy and I will print those in the October issue. It should be out before the night of the elections so you can read about the candidates.

The member of the month is John Walters for his work in getting the markers and buoys out into the lake.

"Hi all,

We have been approved to start dancing again at the OCBC club house each Tuesday beginning October 6, 2015 through and including Tuesday, November 24, 2015.

6:30 - 7:30 Less intense, fewer steps, beginner, fun

7:30 - 8:30 A little more intense, more steps, upper level, fun

\$120.00/couple for this 8 week session, This cost is again based on a total of 16 couples participating. If there are not 16 couples, the cost will be adjusted. The absolute total maximum is 17 couples, again cost will be adjusted if we have 17

Jose Rameriz will be the lead instructor - we are working on and planning to have a guest instructor 3 times during this 8 week session. Also, Jose has mentioned that we can possibly get a Flaminco demonstration. Flaminco is a combination of paso dobles, belly dancing, tango, tap and ballet (this is my interpretation after watching a 2 hour show) - wow and whew! I was exhausted just watching them.

The first class will begin Tuesday, October 6, 2015 and will meet each Tuesday including Tuesday, November 24, 2015.

Please give me a call 615-0707, 350-7355 or email ethelyn.barnett@gmail.com if you would like to join. It is a very learning experience and is fun, we do tend to laugh a lot (at ourselves), get a sense of accomplishment (even if it is just lasting the hour) and gratitude (you didn't go completely brain dead).

If you send me a check and don't get in touch with me, the post mark will serve as your reservation date."
