The investor acknowledges that Opportunity has not been registered, and is not obliged to register, as a regulated collective investment scheme pursuant to the Collective Investment Schemes Control Act, No 45 of 2002 (**CISCA**). Investment in debentures carries risk, and there can be no assurance that the investment objective will be achieved, and past performance is not necessarily a guide to performance in the future. Investment in debentures is only suitable for investors who are in a position to understand and to take risks and satisfy themselves that such investment is appropriate for them in light of their circumstances and financial resources. If the investor is in any doubt about the contents of debentures, it should consult its own accountant, attorney, or other independent professional advisor.

The investor hereby declares to Opportunity that the investor does not regard itself as a “member of the public” as contemplated in the Banks Act.
