Partner With The Breath That Breaks the Silence
Sponsorship Opportunities • Inaugural 2026 Summit

Join us in advancing the conversation around mental health while supporting a cause that will continue changing lives long after September ends.

Every September, during Suicide Prevention Awareness Month, One Breath Institute brings together leading voices in psychotherapy, neuroscience, trauma therapy, addiction recovery, relational healing, nervous system regulation, and breathwork for a free, month-long online summit.

This inaugural event is expected to welcome thousands of mental health professionals, helping practitioners, and individuals seeking evidence-informed approaches to healing. **100% of sponsorship contributions will be donated directly to SMA Healthcare Foundation's Play It Forward initiative,** helping create a dedicated outdoor play and healing space for mothers and children at a women's residential treatment center.

This is more than sponsorship. It's partnership with purpose.

Audience Includes

- Licensed mental health professionals
- Psychologists & psychotherapists
- Counselors & social workers
- Addiction & recovery professionals
- Breathwork & somatic practitioners
- Coaches & wellness professionals
- Yoga & movement educators
- Students in clinical & healing professions
- Individuals on personal healing journeys

Why Organizations Are Partnering

Your partnership demonstrates a commitment to ethical, evidence-informed mental health education.

It places your organization alongside respected leaders in psychotherapy, trauma therapy, neuroscience, addiction recovery, and embodied healing while supporting a project that will continue changing lives long after September ends.
