

# GOAT-TRAIL AUSTERE MEDICAL SOLUTIONS

REAL WORLD MEDICINE FOR REAL WORLD SITUATIONS

## CAPABILITY STATEMENT

Goat-Trail Austere Medical Solutions, Inc. (GAMS) delivers specialized medical training, combining online and in-person instruction tailored to agencies' needs. Leveraging real-world experiences from challenging environments, our experts prepare Federal, State, Local, Military, EMS, Fire, and SWAT teams with essential skills for austere and tactical scenarios. Our curriculum focuses on practical knowledge, innovative problem-solving, and readiness for high-stakes situations, positioning GAMS as a leader in medical training for demanding environments.

### Socio-Economic:

Veteran-Owned Small Business

Service-Disabled Veteran-Owned Small Business

## DIFFERENTIATORS

### DoD Deployed Medicine Portal Access

Authorized access to the DoD Deployed Medicine Portal, enabling delivery of current Joint Trauma System TCCC Tier 1, Tier 2, and Tier 3 curriculum aligned with evidence-based military guidance.

### Commission on Accreditation for Pre-Hospital Continuing Education (CAPCE)

Accredited Training: The GAMS Tactical Austere Medical Practitioner (TAM-P) course is an accredited CAPCE program, recognized for continuing education. GAMS also utilizes this accreditation for its NREMT Review Course, supporting U.S. military personnel in maintaining certification.

### International Board of Specialty Certification: IBSC recognizes the GAMS TAM-P

Program as an Approved Review Course Provider for FP-C, TP-C, & TR-C certifications, emphasizing our tailored training for government needs.

### National Association of Emergency Medical Technicians Approved Training Center:

Certified by NAEMT, ensuring rigorous field standard training

### Subject Matter Experts

Our SMEs have real-world combat and SWAT experience. Our instructors have operated in hostile environments and teach from firsthand experience.

### Federal & State Governments

As an approved grants provider for public safety active shooter medical training, we ensure the quality and relevance of our specialized programs tailored to government needs.

### Hybrid & Remote Training Model

Combines flexible online coursework with hands-on instruction through blended learning for government personnel or on-site training with instructor-led sessions, ensuring maximum convenience and effectiveness.

### 24/7 Email Support:

Round-the-clock email support to promptly address inquiries and support needs, demonstrating our commitment to top service.
