1. Purpose

The Path to Renewal is designed to assist the body's natural detoxification and circulation processes, helping you feel lighter, more energized, and revitalized.

Through gentle compression therapy and ionic cleansing, we support the lymphatic and circulatory systems in releasing stagnation and encouraging flow at both a physical and energetic level.

2. Service Description

Lymphatic Compression Therapy

Using the NormaTec system, gentle rhythmic pressure helps stimulate lymph flow, reduce swelling, improve recovery, and promote detoxification.

Benefits: Enhances circulation, supports immune function, assists fluid drainage, eases muscular tension, and promotes deep relaxation.

Ionic Foot Detox Spa

A soothing foot bath using ionization technology to draw out toxins and rebalance the body's energy field.

Benefits: Promotes cleansing, supports liver and kidney function, reduces inflammation, relieves fatigue, and restores balance to the nervous system.

Subscription Option

Provides consistent support and maintenance, allowing the body to stay in flow and equilibrium through regular detox and lymphatic sessions.

Benefits: Ongoing energy balance, improved circulation, and greater vitality through consistent care.

3. Client Commitment

- You are choosing to invest in your continued wellbeing.
- You understand that these therapies complement, not replace, medical or allied health care.
- You agree to communicate any changes in health, medications, or medical conditions prior to each session.
- You understand that results vary according to individual circumstances and consistency of use.

4. Payment, Rescheduling, & Cancellation

- Package and subscription payments are due prior to or on the first session.
- Sessions may be rescheduled with at least 24 hours' notice.
- Subscriptions may be cancelled with 14 days' written notice before the next billing date.
- Packages expire 6 months from the date of purchase.
- Refunds are not available once sessions have commenced; however, packages may be transferred at Melanie's discretion.

6. Health & Responsibility

These treatments are non-invasive and support natural detoxification. They are not a substitute for medical diagnosis or treatment.

Please inform your practitioner if you have a pacemaker, are pregnant, have metal implants, epilepsy, or open wounds.

7. Agreement and Consent

☐ I have read and understand this agreement and consent to participate in the Renewal Path.
