

New Single-Family Housing Construction

RESIDENTIAL CONSTRUCTION WITH DEFINED SCOPE AND MILESTONES.

SERVICE FOCUS

THE JET GROUP, LLC directly delivers new single-family housing construction services, excluding for-sale builders, under NAICS 236115. Project scope, location, responsibilities and delivery requirements are established for the proposed engagement.

CORE CAPABILITIES

- **Residential construction** - New single-family housing construction within the agreed project scope
- **Scope coordination** - Define project requirements and delivery responsibilities
- **Schedule coordination** - Organize milestones, activity dependencies and project communications
- **Project documentation** - Coordinate agreed project records, progress information and deliverables

WHY WORK WITH THE JET GROUP

- **Direct delivery model** - Construction services delivered by THE JET GROUP.
- **Project coordination focus** - Scope, milestones and responsibilities addressed together.
- **Location-specific engagement** - Requirements assessed for the proposed place of performance.

BEST-FIT REQUIREMENTS

Public and private buyers procuring new single-family residential construction, with location-specific scope and delivery requirements.

DEFINE THE ENGAGEMENT

Example deliverables, finalized in the statement of work: defined project scope and responsibility matrix; milestone schedule and project documentation plan.

Construction engagements are subject to location-specific licensing, permitting, insurance and contract requirements.
