What's Happening at Terrace Glen Village

Meet the Resident: Karen

Growing Up on the Farm
Karen was born on February 26, 1938, and grew up on a farm in Clayton County, Iowa, with her three siblings. One of Karen's favorite stories is about collecting eggs. Unlike her brother, who would get close to the chickens, Karen preferred throwing corn cobs at them to make them move so she could gather the eggs!

School Days & Starting Her Career
Karen graduated from Luana High School in 1956. After high school, she moved to Cedar Rapids and worked as a cashier at W.T. Grant in the Town and Country Shopping Center. She later spent an incredible 40 years working at Rockwell Collins, assembling circuit boards used in airplane systems!

A Love Story with Art
In January 1986, Karen met Art when he asked her to dance. Their first date was one to remember — Art invited her to Memphis, Tennessee, to see Elvis's home! On Valentine's Day in 1990, the two were married in a gazebo in Maui, Hawaii. They shared 34 wonderful years together, filled with travel, dancing, and countless memories.

A Lifetime of Adventures
Karen and Art loved to travel and were fortunate enough to visit all 50 states! They also loved dancing and spent many Friday and Saturday nights dancing in Arizona. From waltzes and fox trots to square dancing, they enjoyed it all!

Family Is Everything
Karen has three children, four stepchildren, eight grandchildren, and 12 great-grandchildren, with two more on the way!

Life at Terrace Glen Village
Karen moved into our community in April 2025 and has enjoyed getting to know her neighbors and making new friends. She loves playing card games and chatting with her tablemates at mealtimes.
