

PARTICIPANT TERMS & CONDITIONS

GammaOS ~ MindCorp Ventures Pty Ltd (trading as Gamma SuperFlow Institute)

Effective Date: 09.10.2025

Last Updated: 09.10.2025

1. AGREEMENT TO TERMS

By registering for and participating in the GammaOS Program (the "Program"), you ("Participant") acknowledge and agree to these Participant Terms & Conditions ("Terms"). These Terms constitute a legally binding agreement between you MindCorp Ventures Pty Ltd (trading as Gamma SuperFlow Institute, "GSF Institute"). If you do not agree to these Terms, you must not register for or participate in the Program.

Additionally, this Agreement serves as a Non-Disclosure Agreement (NDA), a Non-Compete Agreement and a Non-Solicitation Agreement. This means that all intellectual property, proprietary methods and confidential information shared in this program are legally protected and must not be disclosed, shared, or replicated in any form.

2. DEFINITIONS

For the purpose of this agreement:

- GSF Institute's materials refers to all intellectual property, training materials, methodology, videos, workbooks, digital content, frameworks and exercises provided in the Program.
 - Gamma super flow state and cognitive peak performance refers to the heightened cognitive state achieved through the GSF Institute's proprietary methodology.
-

3. INTELLECTUAL PROPERTY & NON-DISCLOSURE AGREEMENT (NDA)

3.1 Ownership & Confidentiality

All GSF Institute's materials, and the Gamma super flow state cognitive peak performance methodology, are the sole and exclusive property of MindCorp Ventures Pty Ltd (trading as Gamma SuperFlow Institute). Participants acknowledge that all content is strictly confidential and must not be:

- Copied, modified, reproduced, or shared with third parties
- Used to create derivative works, competing programs, services, or content
- Photographed, video recorded, voice recorded, screen shot, screen recorded, or transcribed
- Redistributed in any form, either publicly or privately

- Archived, saved, or scraped (i.e., extracted via browser tools, bots, or AI-based systems)
- Trained into AI models, language tools, or content-generating systems

3.2 Competitor Restrictions

The Program is for individual learning only. If you are a coach, consultant, or business owner in the fields of cognitive performance, flow state coaching, or peak performance training, you must disclose this before registering.

The GSF Institute reserves the right to deny access or terminate participation if it determines a participant has enrolled to extract intellectual property for commercial use. The GSF Institute also reserves the right to issue refunds and revoke access if it determines that a participant represents a competing entity. Any breach will result in legal action.

4. RESEARCH OVERVIEW & VOLUNTARY PARTICIPATION

4.1 Research and Development Context

GSF Institute is engaged in ongoing research and development to explore the effects of its gamma super flow state cognitive peak performance methodology on participant outcomes. The GammaOS online program forms part of this initiative, which includes a collaboration with the University of New South Wales (UNSW).

4.2 Research Participation & Voluntary Consent

Participants will be invited to participate in the research component of this program, which includes surveys, assessments, performance tracking, and feedback collection. Participation in the research is entirely voluntary and not a condition of program access.

Participation in research is voluntary and not a condition of program access. Those who wish to contribute will be required to provide informed consent through documentation issued directly by UNSW's authorised research team.

The GSF Institute strongly encourages participation in this research initiative to advance the scientific literature in the emerging field of performance neuroscience, and to support the validation and refinement of its methodology.

5. COMPETITOR RESTRICTIONS & NON-COMPETE AGREEMENT

5.1 Restrictions on Competitors

If you operate in cognitive training, flow coaching, or performance optimisation, you must disclose this prior to registering. The GSF Institute reserves the right to reject registration from individuals or entities deemed to be in direct competition.

5.2 Non-Compete & Non-Solicitation Clause

Participants agree not to create, offer, sell, or promote any training program, course, coaching package, or service that competes directly or indirectly with the GSF Institute gamma super flow state cognitive peak performance methodology, both during and for an indefinite period after their participation in the program. Any breach of this clause will result in legal action for intellectual property theft.

Participants are strictly prohibited from soliciting, recruiting, or attempting to engage the GSF Institute's clients, employees, contractors, or other participants in any professional, commercial, or business activities that compete with or undermine the GSF Institute's services. Any breach of this clause will result in legal action for intellectual property theft.

6. PAYMENT TERMS & REFUND POLICY

6.1 Program Fee and Registration Conditions

By participating in the Program, you acknowledge that:

- The Program fee reflects the value of a comprehensive, research-informed cognitive performance training experience
- The GSF Institute reserves the right to reject registrations if a conflict of interest exists

6.2 Refund Policy

Due to the nature of digital content and intellectual property in the Program, all payments are final, and no refunds will be issued after access is granted unless:

- The participant was found to be a competing entity, in which case the GSF Institute reserves the right to refund and revoke access
-

7. LIABILITY & DISCLAIMERS

7.1 No Guarantees

The GSF Institute makes no guarantees regarding specific results from participation. Results are entirely dependent on the level of commitment, implementation of techniques and adherence to the prescribed protocol. Partial implementation will result in partial results.

7.2 Release of Liability

Participants acknowledge that they are participating voluntarily and at their own risk. The GSF Institute is not liable for damages, injuries, or business losses resulting from participation.

8. PASSWORD SHARING & PLATFORM ACCESS

Participants must not share their login credentials or provide access to GSF Institute's online learning platform, Skool. Program materials will remain hosted exclusively on this platform and are not available for download to prevent unauthorised use and distribution. Participants will have lifetime access to the program via their Skool login.

Skool provides two-factor authentication (2FA), which the GSF Institute will enable to enhance security and prevent unauthorised access. Participants are responsible for maintaining the confidentiality of their login details.

Any unauthorised sharing of login credentials will be considered a material breach of this agreement, resulting in immediate termination of access without refund and potential legal action.

9. LEGAL CONSEQUENCES OF BREACH

9.1 Enforcement of Intellectual Property Protection

Unauthorised use, copying, or dissemination of GSF Institute's materials will result in:

- Cease-and-desist orders
- Lawsuits for copyright and IP infringement
- Financial damages for unauthorised use

9.2 Injunctive Relief & Legal Action

The GSF Institute reserves the right to seek immediate legal action against any participant who violates these Terms.

10. AGREEMENT TO TERMS

By registering for the GammaOS Program, you confirm that you have read, understood and agree to these Participant Terms & Conditions.

If you do not agree to these Terms, do not register for the Program.
