- Save time and tuition cost through advanced standing
- No repetition of completed subjects due to aligned curriculum
Direct academic pathway within the MAHSA education ecosystem

MAHSA Avenue International College (MAIC) works closely with MAHSA University (MU) to ensure that diploma programmes are academically aligned with university standards.

This allows eligible diploma graduates to receive **significant credit recognition when progressing to a relevant Bachelor's Degree programme.**

Through this structured pathway, students can continue their studies smoothly without repeating modules that have already been completed at the diploma level.

HOW THE PATHWAY WORKS

Diploma Programme at MAIC

Students complete a diploma programme designed with strong academic and industry foundations.

Credit Transfer Recognition

Eligible students may receive up to 50% credit transfer into a relevant Bachelor's Degree programme at MAHSA University.

Bachelor's Degree at MAHSA University

Students continue their studies with advanced standing and complete their degree qualification.

KEY ADVANTAGES OF THE MAIC → MAHSA UNIVERSITY PATHWAY
