Welcome To Term 4

Term dates: Monday 12 October – Saturday 19th December 2026

Welcome back to the studio! We hope everyone had a restful break and is ready for a term full of dancing, growth and community. We're so glad to have you with us for Term 4!

Looking Back...

What a way to kick off the October Holidays! Our Holiday Dance Day brought dancers aged 6 to 11 together for a morning full of energy, laughter and brand new moves.

From learning fresh choreography to making new friends across classes and beyond the studio was buzzing all day with the kind of joy that only comes from kids in holiday mode and having fun on the dance floor.

Our older dancers aged 12 and up loved our Spring Workshops! These sessions gave them the chance to push their skills further by taking on new styles of Lyrical, Commercial Hip Hop and Broadway Jazz.

It was a great reminder of how much our older students grow when given the space to stretch themselves creatively and challenge themselves alongside dancers they might not usually get to work with.

Thank you to everyone who came along and made both events such a success!

Performance Team Auditions

The opportunity to audition for the Dance Northside Performance Team has come around again. We encourage all interested dancers to audition!

Audition Details: Friday 20th November (Week 6) from 4pm to 5:30pm at Kaleen Community Hall. Audition is open to all dancers aged 11 and older (please note if you are turning 11 in term 1, you are still eligible to audition).

Performance Team is designed to upskill and challenge enthusiastic dancers, in a way that aligns with the Dance Northside values: non-competition, kindness and community. Rather than enter eisteddfods, our Performance Team works with a number of choreographers to create routines in different styles to dance at local events such as school fetes, Floriade, and sports games. In this way, students are able to develop their technical and performance skills while dancing purely for the love of it and sharing that joy with others.

Being part of the Performance Team is challenging but rewarding. It takes commitment; to the choreography, to the team, and to yourself. In order to succeed, students simply need determination and a passion for dance.

There is no need to prepare anything in advance, auditionees learn short routines together on the day. Just bring a water bottle, sneakers, and jazz shoes (if your dancer has them). **We can't wait to see you there!**

Moving With Meaning

In week 10 of each term, Dance Northside has pyjama week at the studio! Dancers are invited to wear their favourite pyjamas to dance and help us support the local community!

The main goal of pyjama week is for students to connect with each other in the comfort and safety of their pyjamas. Pyjama week is also an opportunity for us to support the broader community. In addition to grooving in their PJs, students are encouraged to bring a gold coin donation for a local charity. **This is just one of the ways we practise kindness at Dance Northside.**

Last term our pyjama week was fundraising for Cerebral Palsy Alliance, who has been supporting one of our own Dance Northside families this year. **The Dance Northside community raised \$116.80 amount and we grew the amount to \$150.** This amount will help fund vital research into the cause of Cerebral Palsy.

For term 4, we've chosen to support the National Breast Cancer Foundation. The National Breast Cancer Foundation (NBCF) is Australia's leading not-for-profit organisation funding world-class breast cancer research towards the vision of Zero Deaths from breast cancer.

It's a simple, feel-good way to end the term: comfy clothes, a good cause, and a whole lot of community spirit. More details on dates and how to donate will follow closer to the end of term.

Thank you so much to everyone who has donated during Pyjama Week over the years! Know that your small contribution makes a big difference.
