

Neighbor Impact Release

Neighbor permission for a home improvement

Use this form when a neighbor's project might affect you, and you are giving your permission. For example: a shed that can be seen from your window, a wall on the lot line, or work on a shared roof, wall, or garage door of a twin home. The homeowner includes this signed form with their Application for Design Review.

Neighbor giving permission

My name is:

I live at:

Phone or email (optional):

The project

I give my permission for (homeowner's name):

To make changes to their home at:

Description of the change:

I have seen the plans or had the project explained to me, and I do not object to it. I understand the Architectural Committee still makes the final decision.

Signature of neighbor:

Date:
