Primary Care Provider Selection

Use this form to choose or change primary care providers for your BCBSM Physician Choice PPO or BCN HMO.

Nonprofit corporations and independent licensees of the Blue Cross and Blue Shield Association

Choose a primary care provider at enrollment

If you are enrolling in Blue Cross Blue Shield of Michigan Physician Choice PPO or Blue Care Network, you must select a primary care provider for yourself and each person on your contract. If you have more than four dependents, use additional copies of this form.

- You can choose a single PCP for your entire family, or different PCPs for different family members.
- Only family or general practice providers can serve as a PCP for the entire family.
- You cannot choose a specialist as your PCP.
- Subscribers must provide their Social Security number, if they are U.S. citizens, or tax identification number (TIN) if they are non-U.S. citizens.

Change your primary care provider

You may also change your primary care provider by logging onto your bcbsm.com account or using the bcbsm.com mobile app.

- If using this form, all changes become effective two business days after we receive this form, unless you request a later effective date. You cannot select an earlier date.
- If you change your primary care provider while being treated by a specialist, your new primary care provider must reauthorize the treatment you're receiving. Your treatment may not be covered until that occurs. You may ask to change your primary care provider effective immediately by calling the Customer Service number on the back of your Blue Cross or BCN ID card.
