Before sailing | Winnipeg to Florida

Friday, 20 August 2027 • Recommended arrival day

Consider flying from Winnipeg to the Orlando area at least one day before embarkation. This creates a buffer for weather, flight changes and baggage delays. You may choose an airport-area or Port Canaveral/Cocoa Beach hotel depending on your transfer plan.

Suggested preparation timeline

- Book flights and a hotel only after reviewing the cruise reservation and cancellation terms.
- Arrange ground transportation between your arrival airport, hotel and Port Canaveral.
- Confirm the cruise terminal and your assigned boarding window closer to departure.
- Complete Royal Caribbean online check-in when it opens for your reservation.
- Keep passports, required visas, travel insurance details and medication in hand luggage.

Optional Orlando experiences

If time permits, consider shopping, a relaxed local meal or a longer pre-cruise stay. Theme parks are better suited to an extended visit than a tight arrival-day schedule.

Flight schedules, hotel options, transfers and pricing have not been selected or confirmed. Ask JOEGO Travel for a customized package quote.

Day 1 | Saturday, 21 August

PORT CANAVERAL • SHIP DEPARTS 4:00 PM

Today is about a smooth start. Travel to the assigned terminal, complete security and boarding formalities, and settle into your stateroom. Allow time for required safety procedures before enjoying your first evening onboard.

Suggested flow

- Morning: check out of your hotel and travel to Port Canaveral with sufficient buffer.
- Boarding: follow the embarkation appointment shown in your Royal Caribbean documents.
- Afternoon: find your stateroom, review the daily schedule and attend required safety procedures.
- Evening: enjoy dinner and a relaxed introduction to the ship.

Day 2 | Sunday, 22 August

PERFECT DAY AT COCOCAY • 7:00 AM–4:00 PM

A flexible beach day on Royal Caribbean's private destination in the Bahamas. Spend the day relaxing or add a paid experience that fits your interests and budget.

Suggested ways to enjoy the island

- Relax at Chill Island or another complimentary beach area.
- Visit Oasis Lagoon and enjoy included island amenities where available.
- For families, explore the complimentary splash-play areas appropriate to children's ages.
- Optional upgrades may include Thrill Waterpark, Coco Beach Club, cabanas or other activities.

Planning notes

Complimentary beach access, many loungers, select dining venues and island tram transportation are generally included. Paid experiences vary in price and availability; check the Royal Caribbean Cruise Planner for your exact sailing. Return to the ship before the published all-aboard time.

Day 3 | Monday, 23 August

AT SEA • YOUR DAY, YOUR PACE

Sea days are an opportunity to relax and enjoy the ship without a port schedule. Your onboard options may include pool time, dining, entertainment, wellness activities and family experiences. Some activities and restaurants carry extra charges or require reservations.

A relaxed day plan

- Morning: breakfast, pool deck or a quiet coffee.
- Afternoon: explore onboard activities and reserve any available entertainment.
- Evening: dinner and a show or casual time with friends and family.

Optional group experience

A Group Karaoke Night is being considered as a fun, voluntary gathering. The date, venue, group arrangements and availability are not yet confirmed.

Day 4 | Tuesday, 24 August

CHARLOTTE AMALIE, ST. THOMAS • 12:30 PM–7:00 PM

A beautiful afternoon in the U.S. Virgin Islands. With a midday arrival, choose a focused outing rather than trying to fit in too many stops.

Choose your experience

- Historic Charlotte Amalie: browse the waterfront and explore the town at a comfortable pace (roughly 1–2 hours, self-guided).
- Scenic island tour: visit lookout points and enjoy panoramic views (often 2–3 hours; verify specific operator itinerary).
- Beach afternoon: choose a beach excursion with transport and ample return time (commonly 3–4 hours including transfers).

Port-day advice

Confirm where the ship docks, excursion meeting times, taxi fares and your required return time. Independent outings are not managed by Royal Caribbean and carry additional return-to-ship risk. Excursion prices are not quoted here because 2027 rates have not been verified.

Day 5 | Wednesday, 25 August

PHILIPSBURG, ST. MAARTEN • 8:00 AM–5:00 PM

St. Maarten offers an appealing mix of beaches, colourful streets, shopping and island scenery. Plan an activity that allows a generous return buffer.

Choose your experience

- Philipsburg waterfront: enjoy a walk, shops and beach views (about 1–2 hours, self-guided).
- Island highlights tour: explore viewpoints and notable coastal stops (often 3–4 hours; verify specific operator route).
- Beach excursion: spend a few hours by the sea, accounting for traffic and travel time (commonly 3–5 hours including transfers).

Port-day advice

Independent tours, taxis, rentals and activities may involve extra costs. Verify pickup locations, operating conditions and cancellation rules. Follow the ship's all-aboard time, not simply the 5:00 PM departure time.

Days 6-7 | 26-27 August

TWO DAYS AT SEA • RELAX & RECONNECT

Your final full days are intentionally flexible. Revisit favourite onboard spots, enjoy entertainment, or simply relax before returning to Florida.

Optional group moments

- Group photo session: a coordinated picture with fellow travelers, subject to arrangements.
- Optional group dining: a shared meal if seating and reservations can be arranged.
- Karaoke Night: proposed, subject to onboard availability and approval.

Prepare for disembarkation

- Check the ship's instructions for luggage, customs and disembarkation.
- Review flight departure times and your transfer booking.
- Settle any onboard charges and keep essential documents accessible.

Day 8 | Saturday, 28 August

PORT CANAVERAL • SCHEDULED ARRIVAL 6:00 AM

The ship is scheduled to arrive early, but disembarkation does not begin immediately at arrival. Timing depends on clearance, assigned departure groups and port operations.

Departure planning

- Follow your assigned disembarkation instructions.
- Allow adequate time for port exit, ground transfers and airport procedures.
- Avoid booking an early flight without checking Royal Caribbean's recommended departure guidance.
- If desired, extend your Florida stay before returning to Winnipeg.

Return flights and transfers are optional and quoted separately.

Your cabin options

Reservations & payment

How to request a quotation

- Submit your inquiry through the JOEGO Travel cruise website once the GHL page is published.
- Include your preferred cabin category and all travelers' names for the initial inquiry.
- JOEGO Travel checks current space and prepares a personalized quotation.
- Review booking terms and payment instructions before paying.
- Your cabin is confirmed only after Royal Caribbean's required deposit and confirmation process are completed.

Important dates

CAD \$50 reservation deposit

JOEGO Travel plans to offer a CAD \$50 per-person non-refundable reservation deposit, credited toward the cruise fare. The group confirmation lists cancellation milestones beginning 23 April 2027 (CAD \$265 per guest), 24 May (50%), 22 June (75%) and 22 July (100%). These are group-document figures and must be checked against the individual booking terms and fare conditions before being relied upon. Additional air, hotel and agency terms may apply.
