Edu for Every Child

USIDHR Regional Director for Romania, Filip Teodor, partnered with Rotaract Kronstadt to organize the sixth edition of Spiridușii Moșului, a community initiative carried out in collaboration with USIDHR. Through the project, more than 250 gifts were distributed to children at Măieruș Elementary School, supporting students from underserved backgrounds.

The initiative demonstrated strong community engagement in Brașov and showed how local partnerships can create meaningful moments of care, inclusion, and encouragement for children in need.

Edu for Every Child

The Edu Box campaign continued this year through an outreach initiative in Romania, providing educational support to children in underserved communities. In partnership with Asociația D.A.R. and its President, Cristina Herea, USIDHR distributed backpacks and essential school supplies to more than 150 children.

The initiative reinforced USIDHR's commitment to expanding access to education and supporting meaningful learning opportunities for every child.

Edu for Every Child

USIDHR conducted outreach activities in Romania through the Edu for Every Child program in the Suceava region, co-sponsoring projects initiated by Fight for Freedom International and its president, Mr. Gheorghe Ignat. The initiative included two school visits as well as a visit to a specialized center for children with disabilities.

Across all locations, children received educational materials, reinforcing USIDHR's commitment to inclusive education and equal learning opportunities for every child.
