Edu for Every Child

USIDHR has supported 100 special needs children from Romania. Together with our country partners from St. Parascheva Orthodox Charity in Chicago, and Colegiul Sf. Nicolae, we were able to bring the Edu Boxes to Romania at special needs school from Botosani and help 100 Romanian children in danger of getting their education disrupted due to lack of resources. They all received Edu-boxes containing special education materials and classroom supplies as requested by the teachers, as well as shoes and clothing for the Winter.
