Impact Report

HAITI

Edu for Every Child

Our Edu For Every Child program is off to a powerful start in 2024! Thanks to your support, we've reached over 400 children in Haiti, and expanded our reach to children rescued from conflict areas. We express our heartfelt gratitude to USIDHR Regional Director in Haiti, Ms. Chrislie Luca and our incredible partners and their volunteers at OCCEDH for their unwavering dedication! Together, we've provided Edu Boxes to those in need, ensuring access to education. But our journey doesn't stop here. With 258 million children worldwide in need of educational support, our mission continues. Thank you to all our donors and supporters for making this possible! Your generosity fuels our impact. Let's keep empowering every child through education! Follow our impact and donate to Edu for Every Child above.
