- Thank you for making our village such a welcoming place to call home.

Fun Facts About October

- October's name comes from octo, Latin for 'eight.'
- It was once the eighth month in the ancient Roman calendar.
- October has 31 days.
- Halloween is celebrated on October 31.
- October's birthstones are opal and tourmaline.
- Its birth flowers are the marigold and cosmos.
- In the Northern Hemisphere, October is autumn; in the Southern Hemisphere, it is spring.

HALLOWEEN NEWS

- September brought lots of wonderful crafts.
- Memories were made, friendships formed, and laughter and fellowship filled the month.

SEASONAL REMINDERS

Stay safe as the weather changes.

- Dress in layers and watch for wet or slippery walkways.
- Take extra care during chilly evening activities.

A Halloween Story from Linden Woods Village

A little village magic

- On Halloween evening, porch lights in Linden Woods Village glowed one by one.
- Neighbors greeted each other; children followed lanterns along leafy sidewalks.
- Doorways held small surprises, while the village square shared treats, laughter, and stories beneath the autumn moon.
- The brightest magic was the feeling of being together.
