

Persimmon-colored Asian linens and a neutral place mat create a backdrop for the sleek setting. White square-shaped dishes and Japanese flatware, including standing knives and European-size forks, comprise each place setting. Red chopsticks top the modern dinnerware, while a lemon nestled in a decorative bird's nest creates a perfect perch for a place card. The sculptural floral centerpiece adds an architectural element to the table.

"Standing Flowers"

Designed by Jane Sahagian of Rikka (Park City, 435-649-6445, rikkafloral.com)

INSPIRATION: Asian minimalism
COLORS: Persimmon, yellow and white.

FLOWERS: Anthuriums, tulips, irises, billy boys and cigar stems.
